CONSTRUCTION NOTICE

February 25, 2016

Closure of E Olive and E Howell streets at 12th Ave for Roadway Striping

Crews working for the Seattle Department of Transportation (SDOT) will return to paint stripes, including crosswalks, on 12th Ave at E Olive and E Howell streets as part of the 12th Ave Neighborhood Street Fund project.

This will require one day of work and will take place as soon as **Friday, Feb. 26**. During the striping, crews will temporarily close E Howell and E Olive streets at 12th Ave and restrict lanes and on-street parking on 12th Ave. Striping requires multiple days of dry weather and may be rescheduled.

Striping the road is the last construction activity for the project. Crews will return in the spring to plant grass seed in the new planting strips.

We appreciate your patience and understanding throughout construction!

Please see map on back for traffic impacts.

WHAT TO EXPECT DURING CONSTRUCTION

- Temporary closure of E Howell and E Olive streets at 12th Ave for up to 5 hours.
- Intermittent lane restriction on 12th Ave. Two-way traffic will be maintained, with flagger present.
- Temporary on-street parking restrictions on 12th Ave.
- Local access will be maintained at all times.
- Temporary closure of bike lanes on 12th Ave. People riding bikes will be directed to merge with vehicle traffic.
- Pedestrian detours. These may vary; please follow posted signage.
- Noise, dust, and vibration.
- Weekday work hours, 7 AM to 5 PM.

El equipo del Seattle Department of Transportation estará trabajando en la calle 12th Ave cerca de la calle E Olive y la calle E Howell de viernes a lunes. El progreso del trabajo depende del clima. Gracias por su paciencia.

Las obras afectarán a las personas que conducen, caminan o andan en bicicleta por esta zona:

- Habrá una restricción temporal de estacionamiento y carriles de tránsito en 12th Ave, E Howell y E Olive.
- También, E Howell e E Olive estarán cerradas temporalmente a la altura de 12th Ave.
- Habrá desviaciones alrededor de las obras: ¡por favor haga caso a las señales de "Desviación"!

El proyecto tiene como fin añadir mejoras a la seguridad de los peatones en estas dos intersecciones, lo cual incluirá extensiones en la guarnición de las aceras que reducirán la distancia de los cruces peatonales y ayudarán a los conductores a ver a las personas que esperan para cruzar la calle.

Si tiene dudas o inquietudes, comuníquese con el equipo de obras a la dirección NSF@seattle.gov o llame al teléfono 206-733-9361.

Outreach during construction

We will post "No Parking" signs and notify property owners and residents of construction impacts. If you have questions or concerns, please contact the project team at NSF@seattle.gov or 206-733-9361.
