CONSTRUCTION NOTICE

December 10, 2015

GREENWOOD TRANSIT AND SIDEWALK PROJECT – N 90TH ST TO N 105TH ST

Phase II of construction will begin ahead of schedule

As early as Monday, December 14, crews will begin installing storm drain along the east side of Greenwood Ave N from N 97th St to N 104th St. Phase II includes new sidewalks, planting strips, and curb ramps on the east side of Greenwood Ave between N 97th St and N 104th St, as well as new bus islands and bus stop upgrades on the west side. Crews will work from south to north along the corridor. Weather permitting, by December 31, crews expect to finish work along the east side of Greenwood Ave N between N 92nd St and N 97th St, and between N 104th St and N 105th St.

WHAT TO EXPECT DURING CONSTRUCTION

- Work hours Monday through Friday, 7 AM to 4 PM
- Noise associated with construction equipment
- Potential parking restrictions
- Bicyclists merge with vehicles
- Pedestrian detours
- Restricted turning movements to/from side streets
- Potential side street closures during working hours
- Reduced speed limits through project area
- Traffic cones, flaggers, and other equipment to direct traffic

Project background

We are improving bus stops and sidewalks on Greenwood Ave N between N 90th St and N 105th St. Our goal is to make it safer and easier for people to travel and make bus service more efficient.

Construction schedule

Phase I (expect to complete by December 31)

- Improvements between N 92nd St and N 97th St
- Improvements between N 104th St and N 105th St

Phase II (December 2015 - April 2016)

- East-side improvements between N 97th St and N 104th St
- West-side improvements between N 90th St and N 105th St

Legend

- Existing bus stops
- Bus stops to be upgraded
- Bus stops to be closed at project completion

Map not to scale
