*WAC 197-11-970 Determination of Nonsignificance (DNS)*

## DETERMINATION OF NON-SIGNIFICANCE

Description of proposal: **Cayton Corner Park Development** – Seattle Parks and Recreation (Parks) is proposing to develop a new neighborhood park on recently acquired property in the Central District. Park improvements include a wide path through the park, narrower paths through planted areas, stone seating steps and a short slide.

Proponent: **Seattle Parks and Recreation**

Location of proposal: **1831 East Madison Street, Seattle, WA 98102**

Lead agency: **Seattle Parks and Recreation**

**Seattle Department of Planning and Development No.: 3020492**

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

☐ There is no comment period for this DNS.

☒ This DNS is issued under 197-11-340(2); the lead agency will not act on this proposal for 14 days from the date below. Comments must be submitted by May 28, 2015.
