1	A climbing rope structure similar to what is near the Woodland Park Zoo and in Golden Gardens would be great.	10/23/2018 12:30 PM
2	Please clear the underbrush on the west side of the park. It is attracting vagrants who sleep in tents, do drugs and defecate in the underbrush. It is a major safety hazard and needs to be turned into grass. You can keep the trees but the underbrush has got to go as it is also a hiding spot for would be assailants. Many women have to pass through this area early in the morning when it is dark to access the bus stop on 5th and NE112th and it is scary. Please include underbrush removal in the budget!	10/21/2018 8:31 PM
3	Better maintenance of features that are already in the park. Deal with the shrubby area at the west end of the park and around the skate park	10/20/2018 10:43 AM
4	Paved pathways all around the park for bike riding, skating, strollers, etc. would be nice. I would like to see more shade and shelter, either bigger trees and/or some kind of canopy/covered area. I would also like some kind of safety perimeter like a fence because this park is next to a very busy street (5th Ave).	10/19/2018 1:25 PM
5	We tend to avoid that park because of it's lack of parking and proximity to busy streets. No matter how cool the play structure is, I will not visit unless there is a barrier created to deter kids from darting into the street while playing on the toys.	10/19/2018 9:14 AM
6	Please consider adding some areas of cover for rain or shade. There are very few parks in Seattle that have covered play areas.	10/18/2018 11:05 PM
7	I've always thought it was strange that the park next to Target, the stay at home mom's mothership, did not have a playground! My kids have aged out mostly, but still think this is a great idea. Some shade would be nice as well.	10/18/2018 11:00 PM
8	Seattle parks are the best!	10/18/2018 10:47 PM
9	With this being a high traffic area, a fenced/gated play area, especially for the younger ages would be awesome. Covered okay areas for shade/rain potrectiob eould also be grand.	10/18/2018 8:13 PM
10	Some separation of the play area from the road would be key for small children - a short fence or placement central to the park space	10/18/2018 1:48 PM
11	Install a walking/running/biking track around the park circumference. The track will encourage community and active living for young and older persons. Remove all "obnoxious" weeds around park circumference (replace with track).	10/18/2018 12:02 PM
12	A fence along 5th ave should be installed to protect children. A water feature would be nice to have because the park is very sunny and there is limited shade in the park. A pool or a fountain or a spray structure would be nice to have.	10/18/2018 11:50 AM
13	I've actually never been to this park because I don't know where to access the park or park my vehicle.	10/18/2018 10:28 AM
14	This park is by two busy streets please consider putting a fence around the play area at least on the streets sides	10/18/2018 8:29 AM
15	Add garbage cans	10/17/2018 8:17 PM
16	Fence, shade	10/17/2018 6:50 PM
17	Please make sure the playground is accessible and safe for kids with special needs! A small fence/enclosure with a gate for entry would really help families who have children with a tendency to run. Since this park is so close to a busy street, this kind of accommodation would benefit all children, not just those with special needs.	10/17/2018 6:45 PM
18	The more conifers that can be planted, the better. So many are being taken down that it is ruining our neighborhood.	10/17/2018 6:18 PM

19	The transient drug use, dealing, squatting and trashing g must be considered in any decisions. The most obvious factor - opening up the vegetation to make using drugs, camping much more difficult without detection. Safety for families and children must be the first priority!	10/17/2018 5:44 PM
20	Thank you!	10/17/2018 5:25 PM
21	Be great to draw families over from the neighborhood and the Target and shop structure make a path between the two and adventure travel path over NOT create more barriers. Perhaps for little kids use planted structures as kid safety or fun balance playspace no fence	10/17/2018 5:07 PM
22	Can there be a shade element installed. It rains a lot here and there's very hot sun in the summer. Some type of shade element would give extra protection.	10/17/2018 3:36 PM
23	It is very helpful to have a under five set of toys and an over 5 set of toys. Add more shade/shelter for the park and a water feature for kids to play in during the summer. Make the play area covered so we can use it year round, especially during major holidays when everything is closed.	10/17/2018 1:24 PM
24	Possible parking lot and bathroom to encourage families to visit the park more often	10/17/2018 12:41 PM
25	Fencing is absolutely needed to protect the play structure and balls bouncing into busy streets. Why is this not included on the list of options? Child safety should be the number one consideration. Please do not overlook this.	10/17/2018 12:00 PM
26	Please keep the exercise equipment. There are a lot of people who can't afford a gym that this benefits. Also, please think of installing security cams.	10/17/2018 11:56 AM
27	This is a HUGE improvement to an underutilized park. There is no play area within a half-mile of where I live (8th and 113th) so being able to take my 2 year old in her stroller to a park so close will be WONDERFUL. Hopefully an increased family presence at this park will deter some of the blatant crime that happens there.	10/17/2018 11:45 AM
28	Ping pong table! Also, I have heard that kids have been assaulted around the skate park area at times, and that kids who steal stuff from Target open it up and unwrap at the park. Please please make sure all safety measures are taken, including lighting, avoiding constructing obscured/hiding areas, extra garbage cans and ask for policing input. Having stuff for older kids would be great, this are has a lot of older kids who would enjoy a rope climbing thing and things that go up higher than typical parks (something like the high rope climb at Powell Barnett, or the high climb at the Space Needle playground would be wonderful!).	10/16/2018 9:24 AM
29	we pass by the space every day because the kids go to preschool nearby. Since it only has the exercise equipment that's not safe for kids we've had to train the kids to not want to go there because there is nothing for them. We would love a playground for them here!	10/15/2018 9:00 PM
30	My kids' favorite play areas are one with large elevated platforms with numerous stairs, climbing entry points, and slides. The super tiny play structures with small platforms and no space are lame.	10/15/2018 8:41 PM
31	Green! The park needs more green. Also, please consider easier access from the Target/shopping center. Employees may choose to walk or lunch there.	10/15/2018 4:03 PM
32	We couldn't be more thrilled and excited that you are starting this project! We would visit this park much more often if there was more to do there!	10/12/2018 11:55 PM
33	Any chance we can make the basketball court a full size-ish court with two hoops? Hard to play with kids when adults are occupying the only hoop. The area around it is just wasted space with gravel.	10/12/2018 6:55 PM
34	Remove the gravel around the basketball court and the benches and the balls. plant new trees. walking path to Target	10/12/2018 3:19 PM
	I really love the idea of a playground at Hubbard. I have three granddaughters that I could take	10/11/2018 11:59 AM
35	there.	
35		10/9/2018 8:23 PM
	there.	10/9/2018 8:23 PM 10/8/2018 9:46 PM

39	A wading pool / splash pad is not included in the above rankings but I think that would be a huge draw and we need more water activities for kids in the area.	10/7/2018 7:59 PM
40	Safety and fun and comfortable for kids.	10/7/2018 3:55 PM
11	There needs to be more lighting near the 3rd Ave NE entrance near the skate park area. It doesn't feel safe walking in that area during the evening after work, unless the intention of that area is to discourage folks walking in that area in the evening, its working. Also people have been frequently crossing the street where the yellow fire hydrant is located on NE 112th St. It's probably not safe to walk across because it is not a designated pathway. It might be a good idea to plant some more plants in front of the yellow hydrant to discourage folks walking through that space near the yellow fire hydrant. Other than that I enjoy the space, even though some kids use the park to smoke weed they are harmless, it's better than no public park. I love how kids are using the basketball court and how the shrubs/ plants divide the sidewalk and the parks space on the side of 5th Ave. NE. Those plants are very cool.	10/6/2018 9:18 PM
12	Hoping we can address overall park concerns like lighting and drainage in addition to play area at the meetings!	10/5/2018 7:46 PM
3	Excited!!	10/5/2018 1:13 PM
14	Please consider lighting improvements near the play area. This park become very dark at night due to overgrown landscaping.	10/5/2018 12:46 PM
45	We would love great lighting for safety. We would also love less of the "natural "landscaping. It looks tacky and people hide in it, use the restroom, and ditch stolen merch. It's not safe and it looks gross.	10/5/2018 11:47 AM
46	I'd also be in favor of removing the basketball court as there are few things worse than having to hear games being played at all hours it the night.	10/5/2018 11:28 AM
47	Please include a walking path around the edges of the park.	9/30/2018 9:30 PM
48	Security measures would be good to keep homeless away from camping there, to make sure the kids who cause trouble at the skatepark stay away, and to keep the druggies from continuing to use the space for shooting up. Some shade would be really nice, since it gets so very hot at the park during the summer.	9/30/2018 4:58 PM
49	You need to include ADULT exercise equipment like chin-up / pull-up bars, monkey bars, parallel bars.	9/30/2018 3:09 PM
50	More police presence patrolling near the skate park to cut-down on criminal behavoir	9/29/2018 8:42 PM
51	This is so exciting! Where we are there are no good outdoor play areas within stroller distance. This will change everything for our kids!	9/29/2018 5:31 PM
52	The most important feature of a park that is intended for families and kids is some kind of bathroom.	9/29/2018 4:47 PM
53	n/a	9/29/2018 4:27 PM
54	Please, please add a small fenced dog play area. There are so many small, shy rescue dogs that need a space. Look at magunuson/sand point as an example. Big dogs make many of the little rraucues nervous. The Dog park near 1st ave/I5 has NO Fenced in areas to separate small or shy rescues. All it needs is a fence and sign! Not expensive.	9/29/2018 1:19 AM
55	I would hope that it will be located closer to the 5th Avenue side as I don't think it feels safe on the north west corner of the park. Homeless hangout between there and the skate park. Not some place I will let my child go.	9/28/2018 10:42 PM
56	Please add some playground shade structure, police camera monitors, zip line, face to face parent child swing (more than 1 please)	9/28/2018 8:44 PM
57	Additional exercise equipment to go with the play area would be amazing. It was originally put there so parents could work out in view of their kids but the playground didn't happen back then.	9/28/2018 8:28 PM
58	We've been hoping a play area would be coming to this park! I'm so excited (as are my kids) that this will finally be happening. We live right next door and frequent this park and it's something my 5yo asks about every time we go	
59	I dont even know how to respond to this as HH park has no play area outside a half basketball court and skate dot< I was on the original PAT and the public indicated they wanted a natural playground not the type swings and slides	9/26/2018 4:19 PM
