1	Need for greater commercial/retain uses in this area to serve the community and those passing through the area which are largely families, cyclists, and those visiting neaby parks. This area would benefit greatly from childrens play area/pocket park, improved bike access to the burk gillman, that is not as unsafe for pedestrians. While the retail is only on one side of the street, the poor sidewalk size and quality accross the street can be hazardous and offputting.	3/28/2014 4:16 PM

1	This area needs more pedestrian safety measures. Also, it would be great to get some of the office uses up off the ground floor.	3/28/2014 4:16 PM
