The Department of Planning and Development invites you to attend an EIS Scoping meeting as part of the South Lake Union Urban Form Study. The purpose of the meeting is to provide information about the South Lake Union Urban Form Study and EIS process and to take public comment on the rezone alternatives that City will study in the EIS and to identify areas of potential impact that should be studied.

The Department of Planning and Development will be issuing a formal Determination of Significance/Notice of Scoping shortly before the meeting and this information will be available on the South Lake Union website in advance of the meeting. Following a brief presentation that begins at 6:00 p.m., public comment will be taken beginning at 6:45 p.m.

If you have any questions, please call Jim Holmes at 684-8372 or by email at jim.holmes@seattle.gov.
