GAY COMMUNITY ACTION MEETING

Initiative 13 threatens to take away the Seattle City Ordinances that protect gay peoples' homes and jobs. At the same time accusations of homosexuality may be used against anyone as a basis for arbitrary hiring, firing, and eviction.

WCSMR needs your input and participation to plan strategy for the defeat of Initiative 13 and to fight for passage of the State Gay Rights Bill (HB 689).

The agenda will include a panel presentation addressing Initiative 13, the State Gay Rights Bill, and history of struggle. We will divide into work groups to plan various aspects of strategy and tactics. Following will be open general discussion on the proposals, and entertainment and refreshments.
