### AGENDA ITEM 3: PANEL DISCUSSION ON CURRENT RATE STRUCTURES AND RATE CONCEPTS UNDER DISCUSSION

Target 5 minute presentation from each Panel Member.

Opportunity to ask clarifying questions following each presentation.

Discussion at the end: Where is there consensus? Key differences? Next steps.

Suggested framework questions for member presentations:

1. When you look at the existing SCL rate structures, what do you like? What concerns do you have, if any? What policy goals important to you are met by current structures and what, if anything, would you like to see more emphasis on in years ahead?
2. What are your views on the rate concepts now on the table? (Thoughts about individual concepts, policy goals, outcomes, implementation -- or anything else you think is relevant).
