

HORIZON PLAN UPDATED

Street Light Infrastructure - Initiative #A9

Accomplishments & What's Ahead

Steve Crume

Joint Use & Street Light Engineering Manager

May 23, 2017

WHY IS THIS INITIATIVE IMPORTANT?

- A large number of streetlight systems with a high number of outage complaints
- Increase reliability and improve customer service
- Our aging streetlight systems in many areas of our service area have reached the end of their design life
