To Whom It May Concern:

These are exciting times in Seattle with the City Council Seat being opened to public on a temporary term, and I hope to be invited for an interview.

Currently I'm serving the City of Seattle as a Line Crew Chief for Seattle City Light. As a Crew Chief I supervise employees from various backgrounds and ethnicities and interact with the citizens of Seattle on a daily basis both commercial and residential. As a leader in the field I have the pleasure to see this city evolve on a daily basis, both its successes and failures. I believe these daily experiences give me a unique pulse and feel for public interest and would like to share these ideas to aid the city I love to serve.

Combining work experiences with education from the University of Oregon with a Bachelor's Degree in Geography, environmental stewardship must come first as this great city progresses into the future. I also bring to the table strong computer proficiencies in MS Word, MS Excel and (WAMS) Wide Area Asset Management. I have attached an accompanying resume with details of my experience and education.

The confidence and leadership I provide on a daily basis to the employees I supervise and public I interact with will continue to be shared with what I hope to be is future colleagues. Thank you for your time—I look forward to learning more about this opportunity!

Sincerely,

David Weston Tygerson
