The City of Seattle's Domestic Partnership Registration Program

Since 1994, the City of Seattle has offered unmarried couples in long-term, committed relationships an opportunity to document those relationships by registering a domestic partnership with the Seattle City Clerk's Office.

Domestic Partnership Registration is voluntary, and does not create any new or different legal rights or responsibilities, or any contractual or financial obligations between those registered.

Who Can Register a Domestic Partnership with the City of Seattle?

Under City of Seattle Ordinance 117244, Domestic Partners are defined as any two people who:

- Are both 18 years of age or older;
- Are not married;

- Have a relationship of mutual support, caring, and commitment; and
- Do not have any other domestic partner.

The Domestic Partnership Registration Program does not require residence in Seattle; it is open to all persons anywhere who wish to participate. Recognition of this program by third parties (such as employers, insurers etc.) is at their discretion.
