2016-17 Award: \$ 376,583

First year of funding: 2015

- Elementary School Innovation
- Health

Levy Performance Measures

- Missing fewer than five days each semester
- Achieving growth targets on state and district assessments in math and reading
- Meeting grade-level standards on state assessments in math and reading

Levy-Funded Community Partners

- Communities in Schools
- Neighborcare Health

Levy-Funded Key Strategies

- Partnership with Neighborcare to provide family-centered health, mental health, and health care access services
- Targeted academic intervention provided by certificated teachers during designated intervention blocks to improve student performance in reading and math
- Partnership with Communities in Schools to support attendance, provide tutoring and academic services in reading and math, monitor course work, and build relationships with students
- Implementation of check and connect strategies that pair focus students with an adult staff member to provide daily one on one support
- Small group reading and math intervention provided by Academic Interventionists and Instructional Assistant
- Implementation of social and emotional learning framework to support skill building and encourage positive relationships
