First year of funding: 2012

- Middle School Linkage
- Summer

Levy Performance Measures

- Passing all core classes with a C or better each semester
- Achieving growth targets on the state assessment in math
- Meeting standard on the state assessment in math

Levy Goals

All of Seattle's children will ...

- Enter kindergarten prepared to succeed
- Achieve academically and the achievement gap will be reduced
- Graduate from high school prepared for college or career

Levy-Funded Community Partners

- Seattle Parks and Recreation
- UW Center for Educational Leadership

Levy-Funded Key Strategies

- Seattle Parks and Recreation Community Learning Center provides after-school academic and enrichment activities
- Partnership with UW Center for Educational Leadership to redesign the math department, the partnership includes job embedded professional development, the design of data driven formative assessments, and development of evidence based instructional strategies
- Participating in Empowerment Mathematics Project (EMP) Professional Development project in collaboration with the City of Seattle's Department of Education and Early Learning, Seattle Public Schools and the University of Washington. EMP strives to improve teacher practice, support the integration of 21st Century Skills such as persistence and grit into classrooms, and engage families in the important role of middle school math in high school completion and college access
- Seattle Parks and Recreation operates on-site summer learning program to provide additional academic and enrichment opportunities
