First year of funding: 2015

- Elementary School Innovation

Levy Performance Measures

- Missing fewer than five days each semester
- Making gains on state assessment for English language acquisition
- Achieving growth targets on state and district assessments in math and reading
- Meeting grade-level standards on state assessments in math and reading

Levy-Funded Community Partners

- Seattle Parks and Recreation
- University Tutors for Seattle Schools

Levy-Funded Key Strategies

- Partnership with Seattle Parks and Rec to provide the Northgate COUNTS After School Math Program which offers students intensive academic instruction, homework assistance, and enrichment activities
- Partnership with Seattle Parks and Rec to provide the Northgate READS After School Reading Program offering intensive reading instruction, homework assistance, enrichment activities and quarterly family events
- Partnership with University Tutors to provide additional small group student support
- Intervention block provides targeted small group literacy instruction
- Small group math instruction provided to targeted students during the school day by certificated Math Interventionist
- Family Support Worker provides needed assistance to families to address basic needs such as food, clothing, and housing, with identified and targeted support to homeless students and families
- Adult English language classes offered in partnership with Seattle Parks and Rec
- Kindergarten Transition Program provides a strong transition for incoming Kindergarteners by focusing on communicating instructional supports that can be provided at home, conducting home visits, and hosting evening events
- School wide attendance campaign offers multi-tiered system of supports to encourage on time, daily attendance
- Seattle Parks and Recreation operates on-site summer learning program to provide additional academic and enrichment opportunities
