2016-17 Award: \$ 326,000

First year of funding: 2015

- Elementary School Innovation

Levy Performance Measures

- Missing fewer than five days each semester
- Achieving growth targets on state and district assessments in reading
- Meeting grade-level standards on state assessments in reading

Levy Goals

All of Seattle's children will ...

- Enter kindergarten prepared to succeed
- Achieve academically and the achievement gap will be reduced
- Graduate from high school prepared for college or career

Levy-Funded Key Strategies

- Small group literacy instruction provided to targeted students during the school day by designated Academic Interventionists
- Design of master schedule that allows all students to receive small group instruction tailored to their needs
- Partnership with YMCA to provide extended day learning opportunities
- Targeted small group support for students new to the country with limited English language experience
- Implementation of Professional Learning Communities among staff members focused on data analysis and the expansion of instructional knowledge and capacity
- Case management for targeted students connecting families with wrap around services
- School wide attendance campaign that celebrates successes and involves students and families in the goal setting process
- Implementation of social and emotional learning framework to support skill building and encourage positive relationships
