You have a co-worker facing homelessness. You have a co-worker who visited a food bank to feed their kids. You have a co-worker struggling to pay rent due to unpaid medical leave.

You can help.

Please consider donating \$5 per paycheck to EASE. City employees can set up donations via Employee Self Service.

Thank You

City of Seattle employees, due to your generosity, nearly \$15,000 in direct financial assistance was provided to employees in need last year.

Nearly every employee emergency funded in 2016 was the result of unpaid medical leave. Costs that EASE funds covered included food, rent, and medical bills not covered by insurance.

Since EASE began accepting applications for assistance in 2008, we have provided more than \$200,000 in financial assistance to over 220 employees following emergency situations.

On behalf of all the 2016 EASE recipients and the 2016 EASE Board, thank you for your continued support!
