The Ethnic Heritage Art Gallery is proud to partner with local artists on an exciting new exhibit. “*Reflections*” is a 3D exhibition in our new glass-enclosed space. There are four exhibits that combine into one, showcasing each of four ethnic cultures representing our focus: Black/African-American, Asian/Pacific Islander, Latino, and Native American. Our featured artists come from a wide range of artistic backgrounds and career stages. Their artwork produces a show that is a *Reflection* of their local and international communities.

**About the Gallery:** A coalition of City of Seattle employees established the Ethnic Heritage Art Gallery to showcase emerging and established artists of color from four ethnic and cultural communities. This effort supports the City's Race and Social Justice Initiative (RSJI) core values by reaching out to our diverse ethnic communities, enriching cultural appreciation, and strengthening everyday collaboration and productivity amongst City employees and our communities.
