

## WAS Fund Reimbursement Summary Table

**WAS Fund Reimbursement Types and Eligibility Requirements**

<b>General Requirements for WAS Fund Reimbursement</b>	
WATs	Prior to placing the WAT in service, the vehicle must be inspected for ADA compliance. Once in service, any WAT driver must have a valid for-hire driver's license or permit with a valid WAT endorsement, and the driver must prioritize service to passengers in wheelchairs before any other passenger.
Voluntary Conversions	Anyone interested in voluntarily converting a vehicle to a WAV is strongly encouraged to consult with the Director prior to acquiring or converting a vehicle. In addition to meeting the same general requirements as WATs, the owner of a Voluntary Conversion must apply to the Director for written approval in order to become eligible for WAS Fund reimbursements.
