**To:** WMBE Interdepartmental Team

**From:** Liz Alzeer, Department of Finance and Administrative Services  
Purchasing and Contracting Division Director

**Subject:** 2020 Q2 WMBE Report

Please find attached the 2020 Q2 report for women- and minority-owned business utilization for the City of Seattle. Please review these reports for a detailed look at how each department of the City of Seattle utilizes women- and minority-owned businesses for consulting, purchasing and construction contracts.

Reports are posted on the City website and distributed to appropriate offices and interested public organizations.

If you have questions, please feel free to contact me at 206-684-4535/[liz.alzeer@seattle.gov](mailto:liz.alzeer@seattle.gov), Miguel Beltran at (206) 684-4525/[miguel.beltran@seattle.gov](mailto:miguel.beltran@seattle.gov), or Carmen Kucinski (206) 684-0188/[carmen.kucinski@seattle.gov](mailto:carmen.kucinski@seattle.gov).

**About the Report**

Source data for consultant and purchasing contracts is generated from the City’s main financial management system People Soft 9.2.

Source data from construction spending is generated using software systems CID and B2Gnow. It includes federal contracting dollars. There are three construction WMBE reports in this document. The “combined WMBE report” counts all payments made to the prime contractor and subcontractors during the reporting period. The “completed WMBE report” counts all payments made during the duration of projects that were closed out during the reporting period. The Job Order Contract (JOC) report counts all payments made to the prime contractor and subcontractors during the reporting period on JOC contracts.

**Women- and minority-owned business (WMBE) reports key information**

**1. General WMBE information**

- a. The WMBE report uses data from the City’s Online Business Directory (OBD) to determine WMBE status.
- b. Suppliers can be self-identified and/or state-certified.
- c. WMBE reports pulls in all doc types EXCEPT direct exclusions (DX), public works (PW), Emergency PW, and SCPR (no longer exists).
- d. OBD Codes for self-identified firms are:

<b>WMBE Code Definitions</b>	
MWBE	At least 51% owned by minority women
WBE	At least 51% owned by one or more women
MBE	At least 51% minority owned
<b>Ethnicity Code Definition</b>	
A	Asian, Native Hawaiian or Pacific Islander
B	Black or African American
H	Hispanic or Latino
N	Native American or Alaska Native
W	White

**2. WMBE Report Data**

The following lines constitute our filtering process by which you can understand what WMBE data is brought in and what minority category the expenditures are credited to:

- a. Only transactions with a PYMNT\_DT. These must show up on the table: PS\_PAYMENT\_TBL
- b. First to be assigned are lines with ETHNICITY\_CD populated. ETHNICITY\_CD assigns a value directly to one of the Minority spend columns. It doesn’t matter what the Gov Class (MBE, etc.) says if the ETHNICITY\_CD is populated.
- c. The only time that GOV\_CLASS is used to assign amounts to a column, is when the ETHNICITY\_CD is left blank. In that case, the GOV\_CLASS determines what column gets the dollar credit.
- d. If both the ETHNICITY\_CD and the GOV\_CLASS fields are blank, then this is not a WMBE transaction. It is non-WMBE.

- e. Only transactions with an account beginning with '5' are included as WMBE transactions. No liability accounts are included in the WMBE extract.
- f. Note: We have a temporary, short term solution to address the "O" and "U" flipping issue. We stopped transferring the data from the state OMWBE report into PeopleSoft 9.2, which now requires us to manually update PS 9.2 to match the OBD data. If there were multiple listings per supplier in the OBD, we used the state certified record. If there was not a state certified record, we contacted the supplier to confirm ethnicity. Finally, if we were unable to reach the supplier, we defaulted to assign to "W" temporarily until we can identify a permanent fix.

Payments are categorized by type of contract – consultant or purchasing, and the contracting/payment mechanisms unique to those areas. The following contract/payment types are used in calculating WMBE spend for the purchasing and consultant contracting types.

Contract/Payment Type	Description
Blanket Contract	Any payment made to a Blanket Contract vendor for acquisition of goods and/or services.
Consultant Contract	Any payment made to a Consultant Contract <u>not</u> available on the Consultant Roster.
Consultant Roster	Any payment made to a Consultant Contract included on the Consultant Roster.
Direct Voucher	Any payment made utilizing the Direct Voucher (DV) delegated authority for purchase of small value items that are not available on Blanket Contracts and which do not exceed \$8,000, excluding tax, freight, or other charges, and which meet the other qualifying DV requirements.
Purchase Order	Any payment made to a Purchase Contract for acquisition of specific supplies, materials, equipment or services not available on Blanket Contracts or through a Direct Voucher.
Departmental Purchase Orders	All payments made under departmental purchase order.

**3. Potential Discrepancies between WMBE Report and Department’s own analytical tools.**

FAS only uses the actual payment dates for the reports. If other departments count the following when generating reports, their data will not match the data reflected in FAS reports.

- counting “canceled” payments
- using “scheduled” payment dates
- using Voucher entered dates

As previously mentioned, the contracting and purchasing reports are prepared using People Soft 9.2, the new financial management system established in 2018. As part of the transition process we undertook a review process for potential discrepancies. If you detect any other discrepancies, please contact Kjell Elmer in PC at 206-727-8677/[kjell.elmer@seattle.gov](mailto:kjell.elmer@seattle.gov) and he will research the issue.

### 2020 Goals

**Consultant = 34%**

**Purchasing = 19%**

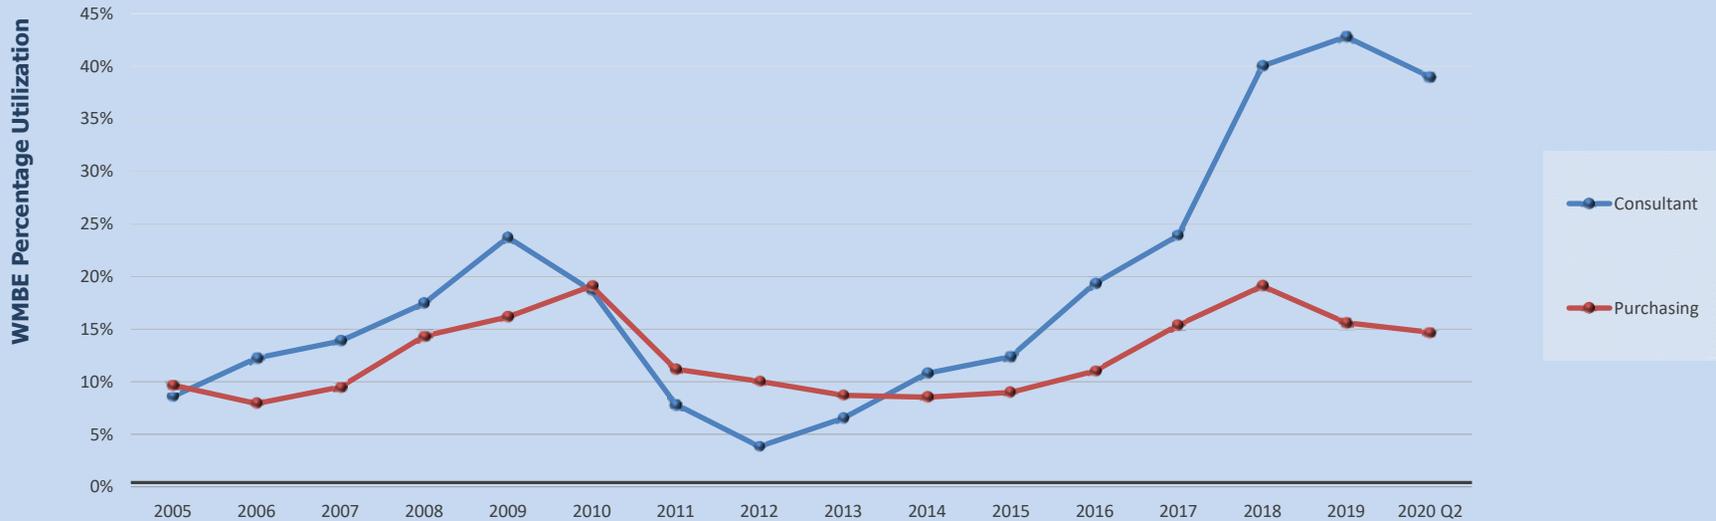

**NOTES:**

- 2020 year to date spend through 6/30/2020
- Produced by PC/FAS
- Source: PeopleSoft 9.2
- All consultant spend is for prime only. No second tier spend is included. Includes SDOT consultant and Mega Project spend.

**Federally Funded Projects:**

The Consultant Contract total includes contracts containing FTA and FHWA funds. SDOT is required to use the federal Disadvantaged Enterprises rules and regulations in administering these projects instead of the City's WMBE inclusion tools that are available for non-federally funded projects per Chapter 20.42 of the Seattle Municipal Code.
