- 2013 Consultant WMBE spent includes \$1,405,160 paid to Integral, not previously reported
- 2013 Purchasing WMBE spent includes \$1,253,758 paid to Tyndale, not previously reported
- 2014 Consultant WMBE spent includes \$573,050 paid to Integral, not previously reported
- 2015-YTD Consultant WMBE spent includes \$300,677 paid to SCL 2015 Third Party Agreements.
- Seattle City Light met and exceeded the voluntary consulting target on both a dollar and percentage basis. The purchasing target, which was set at 30% above the 2015 target, was not met. If the effect of the April 2016 IT consolidation were excluded, the 11% target likely would have been met.
- Org 260 did not realize a capital expenditure of \$1 million to purchase a fast boat for the Skagit River. The funds were encumbered in 2016, however, the boat purchase has been allocated to 2017.
- In addition to the WMBE spending reported above, SCL has paid to date over \$2 million dollars to American Indian/Alaska Natives for stewardship particularly related to SCL Endangered Species Act Lands, which were purchased to protect and restore habitat for protected fish species, particularly Chinook, Steelhead, and Bull Trout. The payment is made for work required by the Boundary Project License. The license requires City Light to mitigate environmental issues, which affect all tributaries to the Boundary reservoir.
- The Asset Management & Large Projects Division has recognized \$492,566.00 additional dollars spent in 2016 related to WMBE second and third tier sub-consultants.

Women and Minority-owned Business Designations

- By using the State’s WMBE registration data and through vendor self-identification, every effort has been made to identify the minority and/or women-owned business status of all payees. Payments to firms identified as DBE’s are counted as an MBE or WBE if the ethnicity and gender of that firm. All 2002 payment data reflects WMBE’s that are identified as registered with the State’s office of OMWBE. All 2003 or later payment data reflects payments made to certified WMBE firms and self-identified WMBE firms.
- Businesses identified as CBE’s are counted on all ethnicity reports using the ethnicity identified by the business.

Explanation of Terms -Vendors may choose to identify their business by using the following descriptions:

Business ID.	Description
CBE	Combination-Owned Business Enterprise is a business that is 50% owned and controlled by one or more minority men, and 50% owned and controlled by one or more non-minority women
DBE	Disadvantaged Business Enterprise is a business that is at least 51 percent owned and controlled by one or more individuals who are both socially and economically disadvantaged.
MBE	Minority-Owned Business Enterprise is a business that is at least 51% owned by one or more minority individuals, and whose management and daily operations are controlled by one or more minority individuals
