City of Seattle

We would like to hear about your experiences with the City of Seattle's contracting program for WMBEs.

The City of Seattle's Women- and Minority-owned Business Enterprise (WMBE) Program disparity study will examine the City's WMBE Program and whether WMBEs have equal access to contracting opportunities.

An electronic survey and small group business owner interview sessions will take place Q1 and Q2 of 2022. Visit us online to see how you can participate in the study.
