## **Department Overview**

The **Civil Service Commissions** is the administrative entity serving both the Civil Service Commission and the Public Safety Civil Service Commission that are both quasi-judicial bodies charged with providing fair and impartial hearings of alleged violations of the City's personnel rules. Each commission is governed by a separate three-member board, with one member appointed by the Mayor, one appointed by the City Council, and one elected by, and representing, employees. The term of each commissioner is three years.

The **Civil Service Commission (CSC)** provides fair and impartial hearings of alleged violations of the City's personnel rules. Employees may file appeals with the CSC regarding all final disciplinary actions and alleged violations of the Personnel Ordinance, as well as related rules and policies. The CSC may issue orders to remedy violations and may also make recommendations to the Mayor and the City Council regarding the administration of the personnel system.

In addition, the CSC investigates allegations of political patronage to ensure the City's hiring practices are established and carried out in accordance with the merit principles set forth in the City Charter. The CSC conducts public hearings on personnel related issues and may propose changes to personnel rules, policies, and laws to the Mayor and the City Council.

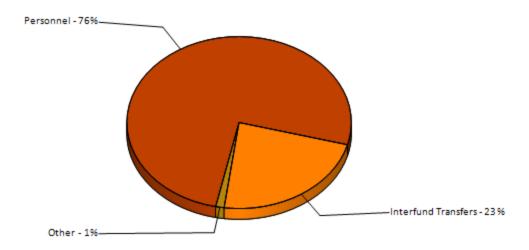

The purpose of the **Public Safety Civil Service Commission (PSCSC)** is to implement, administer, and direct a civil service system for sworn personnel of the Seattle Police Department and uniformed personnel of the Seattle Fire Department. The PSCSC provides sworn police and uniformed fire employees with a quasi-judicial process for hearings on appeals concerning disciplinary actions, examination and testing, and other related issues.
