Department Overview

The General Subfund of the City's General Fund is the primary operating fund of the City. Appropriations and expenses for many of the services most commonly associated with the City, such as police and fire, are accounted for in the General Subfund. The Subfund is supported primarily by property, sales, business, and utility taxes.

The City's financial policies do not require a fund balance to be maintained in the General Subfund. Instead, the City reserves resources for unanticipated expenses or revenue shortfalls associated with general government in the Emergency Subfund of the General Fund and in the Revenue Stabilization Account of the Cumulative Reserve Subfund. As a result of this practice, General Subfund balances usually are spent in their entirety either in the current or next fiscal years.
