Dear Neighbor,

You have been identified as a property owner along the alley between 14th and 15th Avenue West that is accessed from West Armour Street. This letter is to inform you that the construction of the new Fire Station 20 is scheduled to begin on Monday, July 15, 2013.

This new station will be built on four parcels of land (2800, 2806, 2812 and 2816 15th Avenue West) adjacent to the alley. Construction will be limited to the hours between 7 a.m. and 6 p.m., Monday through Friday, with the possibility of some work outside that time for special circumstances. The project is anticipated to be complete by the end of 2014.

During the construction of the new Fire Station 20, the existing Fire Station 20 on 3205 13th Avenue West will remain in service.
