TOTAL	169	94 56%	75 44%	55 33%	41 24%	44 26%	11 7%	16 9%	12 7%	9 5%	22 13%	96 57%	64 38%	7 4%	44 26%	13 8%	43 25%

The information above was provided voluntarily by applicants who chose to self-identify. Most *did not* indicate information across many of these categories in their application narratives. Many of these numbers are likely to be higher. E.g. "Renter" and "Owner" do not add up to 100% because 43% of those invited chose not to self-identify.
