Mayor's Office for Senior Citizens Coffee Hours are held on the third Thursday of every month at the Central Building and on other dates in Seattle neighborhoods.

The events bring community elders closer to City officials to explore topics of interest. Presentations often include cutting edge information about healthy aging, legal and planning issues, and more.

Participants learn about City programs and services, and officials hear from their constituents.

Coffee and refreshments are served.

Each year Americans lose more than \$40 billion to telephone, mail, and Internet fraud. Scammers may offer phony lottery prizes, charities, or investment scams; scare us into thinking our children or grandchildren are in danger and need cash; steal our identities outright; say they're from the IRS and will have you arrested; and/or ruin our credit and good names overnight. Be informed and stay safe. Join us for this presentation on ways to protect yourself.
