6:31 – 6:32 **Called to order**

6:32 – 6:54 **Introductions & Member Organization Updates**

6:54 – 7:01 **GDCC Business**

- **Meeting Minutes:** *June Minutes Approved. September Minutes Approved*
- **Member Group Applications:** Meetings are open to the public. To be a voting member need to have a completed application on file. New application each year.
- **Secretary Opening:** There is an opening for a Secretary on the executive committee. Can be separated into an executive committee position and a separate note taker. No interest in the position at the meeting. Erin will continue to take notes when she is in attendance. Melissa will record and transcribe notes when Erin is not in attendance.
- **November Meeting Date:** Motion to change the date of the November meeting to November 18th. *Approved.*

7:01 – 7:06 **DPD Proposed Amendments – Katie Sheehy**

DPD is proposing minor amendments to the land-use code to allow existing residential properties in Georgetown to be considered “allowed uses” rather than “non-conforming”. This would allow for repairs and remodels of existing residential properties. Legislation is still under review and should go to Council early next year.

7:06 – 7:15 **Neighborhood Matching Fund- Ed Pottharst**

There are currently 4 NMF Small & Simple projects either in progress or about to start. 1. Livable, Workable Georgetown. 2. Madres Aprendiendo. 3. Cheasty/Mt View 28th Trailhead. 4. Duwamish Waterway Park. Next Small & Simple deadline should be in February- application due date will be determined after the budget passes.

7:15 – 7:18 **NPSF Update- Jake Hellenkamp**

- 2014-047: Will start next week- includes curb bulbs, ramps.
- 2014-010: Forest Restoration- E Duwamish should be completed by 11.15.15
- New Holly Pathway Improvements is being delayed by Seattle City Light as they assess the potential impacts to their property.

There are 2 projects from Greater Duwamish that are included in the Mayor’s Budget for 2016. The other projects were not selected.

- 2015-102: The Cheasty Greenspace Projects
- 2015-127: Paving Pathways at New Holly

7:18 – 7:19 **CNC Update**

No significant update at this time. THE CNC continues to be focused on HALA.

7:19 – 8:04 **Freight Master Plan- Gabriela Vega**

An overview of the Freight Master Plan and how it fits in with the other Multimodal Plans. Questions specific to the GDCC included.
