Can I apply for a Community Project Grant if I didn't attend the walk?

Yes! All community members within the walk neighborhood are eligible to apply.

How will I pay for the Find It, Fix It Community Project?

The City of Seattle cannot grant money in advance for projects. This means that the project must be funded independently or in partnership with an organization that can help pay for the initial expenses. After all materials are purchased for the project and original receipts are turned in, the City of Seattle will send reimbursement within 2 weeks. If you cannot pay for the project up front, please contact Hailey Oppelt at <u>hailey.oppelt@seattle.gov</u> or (206) 386-1907 to discuss other options.

How do I know if I need permits for my project?

You can find more information about permits, when they are required, and how to obtain them at <u>http://www.seattle.gov/dpd/permits/</u> or call (206) 684-8850. It is good to budget for contingency in case there are additional permits required.
