STAFF REPORT: Alki Elementary School - 3010 59th Avenue SW / 5817 SW Stevens Street

Staff Recommendation

Staff does not recommend nomination of Alki Elementary School at 3010 59th Avenue SW / 5817 SW Stevens Street as it does not appear to meet any of the designation standards.

The Landmarks Board Coordinator acknowledges there may be the cultural history associated with the property, but believes this may not be embodied in the building itself. The Coordinator recognizes the architectural character of the 1940s portions of the building, but does not believe it rises to the level of a landmark. This assessment was informed by a site visit and thorough review of the property on April 11, 2022.

Approval of Nomination

If approved, a public meeting would be set for 30-60 days from nomination to consider the designation. During this time, the Board and staff may amend the nomination form. From the time of nomination, Subchapter VI of SMC 25. 12 shall apply. This section requires a Certificate of Approval for alterations or significant changes to the features proposed for preservation. Following Board approval of the nomination (or designation) the owner may give written notice of a desire to confer and consult with the Board and Board staff to reach agreement on specific features to be preserved and methods to achieve such preservation. A timetable is established by Board, Board staff and the Owner. This written request by the Owner is the only procedure which may alter the time requirements or the public meeting on designation.

Disapproval of Nomination

If the Board fails to approve the nomination, no new proceeding may be commenced for a period of 10 years without the written agreement of the Owner.
