

Mayor Durkan has proposed [legislation](#) that would suspend for 60 days all major institution committee meetings. Council will be voting on this legislation in the coming weeks, at which time the 60 days would begin.

I will send you an update as the legislation proceeds. **Until you hear more from me, all Advisory Committee meetings will be canceled.**

We hope to be able to safely return to in person board meetings after 60 days, but if that is not possible, we are actively exploring the possibility of virtual/remote committee meetings.

Feel free to contact me with any questions.
