**Comprehensive Universal Preschool Parent/Guardian Survey
Request for Proposals
Post-Information Session Questions and Answers
January 9, 2014**

- Q1: One attendee asked about the intention of the RFP in relation to how subgroups are sampled. Specifically, the participant inquired about whether the groups specified in the RFP were to be oversampled.**
- A: The proposals should provide a plan for sampling. The sampling should be representative of Seattle. It is up to each consultant to choose how to approach sampling and plans will be judged accordingly.
