Key Program Strategies (*Please provide a brief overview of program strategies including number of students served and program costs*):

1. Conducting intake assessments and providing accurate diagnosis and mental health therapy for children and youth; serve over 100 students per year at a cost of \$100 per hour per student for up to 3 hours per week.
2. Providing Case Management
3. Providing Crisis Intervention as necessary
4. Providing Educational Support to all students served
5. Providing Juvenile Justice Intervention

Results Achieved (*Bullets or Brief Description*):

- Overall, we have been successful in demonstrating improvements across 5 domains of functioning-school, family, peers, community, and individual/self. During the 2011 contract year, SEYFS provided services to approximately 35 youth and their families through our city funded Youth Mental Health Program, 30 in our county funded Counseling Program, and 134 in our Managed Care Mental Health Program. Our results include: 88% of children and youth participating in our services strengthen their social skills, 91% of children and youth participating in our services improve their academic skills, 80% of children and parents participating in our parenting and/or family services strengthen their parent/child interaction skills, and 88% of children and youth participating in our mental health counseling strengthen their coping skills.

Additional Notes:

We currently, and/or historically, provide services to students in at least 20 schools in the District. Unable to check boxes above.
