**2017 State Legislative Bulletin**

**February 13, 2017**

**Number 5**

***The City of Seattle is committed to being a safe, vibrant, interconnected, and affordable city.***

**Week Overview**

Week five continued with many hearings as we get closer to the house of origin policy cutoff on February 17<sup>th</sup>. Bills must pass out of their respective policy committees by end of business that day. Bills that have a financial impact will need to be voted out of fiscal committees (e.g., House Finance, House Appropriations, House and Senate Transportation and Senate Ways & Means) by February 24<sup>th</sup>. Any bill deemed necessary to implement the budget (NTIB) can be exempt from these cut off deadlines. The upcoming week will have a heightened urgency as legislators work to move as much legislation as possible out of policy committees to make it through this first hurdle.
