You can find the schedule for upcoming bill signings [here](#).

## **Priority Areas**

### **Homelessness and Housing**

*Affordable Housing Development:* [SHB 1797](#), sponsored by Rep. McBride, would have allowed cities to apply for a one-time remittance of 4.37 percent of the state sales and use tax on public purchases for affordable housing development or public infrastructure to support such development, allows the

governing body of a county with a population over 1.5 million and the cities within such county to authorize the existing 0.1 percent local sales and use tax used for mental health services and affordable housing, and allows revenue from the local real estate excise tax to be used for affordable housing development through 2022, so long as other local capital projects have adequate funding. The sale tax would generate approximately \$67 million per year in King County. The bill was placed on second reading in the House but was never pulled to the floor for a vote.

*Affordable Housing Investments:* [SHB 2437](#), sponsored by Rep. Robinson, would have authorized counties or cities to impose a local sales tax, credited against the state sales tax, for affordable housing or to back bonds dedicated to affordable housing and requires a local match from the local government. The bill required King County to distribute funds in an equitable manner throughout the county in furtherance of a regional implementation plan. A rough estimate by the Association of Washington Cities indicated the credit would generate \$16 million per year in King County allowing for \$200 million bond capacity. Unfortunately, the bill was held on second reading in the Senate and never brought to the floor for a vote.

*Facilities Financing:* [SB 6371](#), sponsored by Sen. Mullet, concerns facilities financing by the housing finance commission (HFC). The bill increases the Housing Finance Commission's debt limit from \$6 billion to \$8 billion and expands the organizations eligible for lower-cost financing through the HFC's Nonprofit Facilities Program. The bill was delivered to the Governor on March 6<sup>th</sup>.

*Property Tax Exemptions:* [ESSB 5143](#), sponsored by Rep. Sen. Zeiger, clarifies the property tax exemption for nonprofit homeownership development by specifying that land that is to be leased for 99 years or life to a low-income household qualifies for the exemption and specifies that the lease of the exempted land to a low-income household terminates the property tax exemption. ESSB 5143 has been delivered to the Governor for his signature.

[SHB 2597](#), sponsored by Rep. Sullivan, permits cities and counties to provide senior citizens, individuals with disabilities, and veterans with an exemption from any portion of their regular property tax attributable to a levy lid lift, with voter approval. The bill has been delivered to the Governor for his signature.

*Homeless Housing Surcharge:* [E2SHB 1570](#), sponsored by Rep. Macri, increases the temporary \$40 local homeless housing and assistance surcharge to \$62 and makes it permanent, allows counties to pay off general obligation bonds issued by the county for homeless housing and assistance, and creates new and updated reporting requirements and studies for certain homeless assistance programs. Analysis suggests this bill will provide King County with an additional \$12-15 million per biennium, as well as the potential to bond against as it is now a permanent source of funds. The bill was delivered to the Governor for his signature on March 7<sup>th</sup>.

*Source of Income:* [2SHB 2578](#), sponsored by Rep. Riccelli, amends the Residential Landlord-Tenant Act to prohibit discrimination based on a tenant's source of income. The bill also creates the Landlord Mitigation Program and Account in the Department of Commerce from which landlords of private market rental units rented to tenants with certain sources of income may be reimbursed for damages while also increasing the affordable housing surcharge to \$13 from \$10 and provides approximately 40% of this additional \$3 to the Landlord Mitigation Account. The bill was delivered to the Governor on March 8<sup>th</sup> for his signature.

*Surplus Property:* [3SHB 2382](#), sponsored by Rep. Ryu, requires certain designated state agencies to remit 10 percent of any net proceeds from the sale of state real property to the Housing Trust Fund through 2029; requires all state agencies to notify state, local, federal, and tribal entities of any sale of surplus state lands; allows any state or local agency to dispose of property to any public, private, or nongovernmental body for affordable housing development on any mutually agreeable terms. The bill was delivered to the Governor on March 8<sup>th</sup> for his signature.

## **Safety Net and Civil Rights**

The bill was delivered to the Governor on March 8<sup>th</sup>.

*Ban the Box/Fair Chance Act:* The Washington Fair Chance Act, [2SHB 1298](#), sponsored by Rep. Ortiz-Self, prohibits employers from making inquiries related to criminal records until after initially determining the applicant is qualified for the position. *Civil Service Qualifications:* [SB 6145](#), sponsored by Sen. The bill was delivered to the Governor on March 5<sup>th</sup>.

*Equal Pay:* The Equal Pay Act, [2SHB 1506](#), sponsored by Rep. Senn, prohibits discrimination in providing employment opportunities based on gender and prohibits retaliation for certain workplace discussions about wages and other matters. The legislation will make it easier for women to talk about their earnings with co-workers and will ensure there's no backlash for employees who discuss their wages or who ask for equal pay. This bill goes further than other states with gender pay equity laws by extending protections to employees who are offered lesser career advancement opportunities based on gender. The Equal Pay Opportunity Act updates the law by, among other things:

- Defining “similarly employed” as jobs that require similar skill, effort, and responsibility, and are performed under similar working conditions
- Prohibiting employers from imposing pay secrecy policies
- Preventing discrimination by gender in providing career advancement opportunities
- Banning employers from retaliating against employees who file complaints, discuss wages or seek advancement opportunities
- Ensuring employees are entitled to administrative and civil remedies in the event of violations.

The House concurred on the Senate amendments on March 5<sup>th</sup> with a 90-7 vote count. The bill was delivered to the Governor March 8<sup>th</sup>.

*Posttraumatic Stress:* [SSB 6214](#), sponsored by Sen. The bill was delivered to the Governor on March 6<sup>th</sup>.

*Sexual Harassment:* [SSB 5996](#), sponsored by Sen. Keiser, prohibits an employer from requiring an employee, as a condition of employment, to sign a nondisclosure agreement that prevents the employee from disclosing sexual harassment or sexual assault, provides that any nondisclosure agreement that has the purpose or effect of preventing an employee from disclosing or discussing sexual harassment or sexual assault is void and unenforceable, and provides that it is an unfair practice under the Washington Law Against Discrimination (WLAD) for an employer to retaliate against an employee for disclosing or discussing sexual harassment or sexual assault. The bill was delivered to the Governor for signature on March 5<sup>th</sup>.

[SSB 6313](#), sponsored by Sen. Keiser, provides that an employment agreement is void and unenforceable if it requires an employee to waive their right to file a complaint under the WLAD or federal antidiscrimination law, or if it requires a claim of discrimination be resolved using a dispute resolution process that is confidential. The bill was delivered to the Governor for signature on March 9<sup>th</sup>.

*Voting Rights:* [ESSB 6002](#), sponsored by Sen. Saldaña, enacts the Washington Voting Rights Act of 2018. ESSB 6002 creates a state voting rights act to protect the equal opportunity for minority groups to participate in local elections and elect candidates of choice, creates a cause of action and authorizes courts to order appropriate remedies for a violation of the voting rights act, including redistricting within a political subdivision, and authorizes local governments to change their election systems to remedy potential violations of the act. The bill was voted off the Senate floor on January 19<sup>th</sup> with a 29-19 vote count and then off the House floor on February 27<sup>th</sup> with a 52-46 vote count.
