Notes:

- 1) The last two digits in the tract ID number represent the decimal portion of the number. For example, "100" is "1.00", "9702" is "97.02", etc.
- 2) Tracts 264 and 265 extend beyond the Seattle city limits. The population counts reported above are for the small portion of each tract that falls within Seattle. Also, a very small portion of tract 112 is located outside of city limits. Thus, the data shown here (for the area falling within city limits) may disagree slightly with data for the tract as a whole.
