

GARFIELD SUPER BLOCK

PARK & PROMENADE IMPROVEMENT PROJECT

SEATTLE DESIGN COMMISSION | 1 APRIL 2021 | GARFIELD SUPER BLOCK COALITION, SEATTLE PARKS & RECREATION & SITE WORKSHOP

PROJECT HISTORY

COMMUNITY CONTEXT

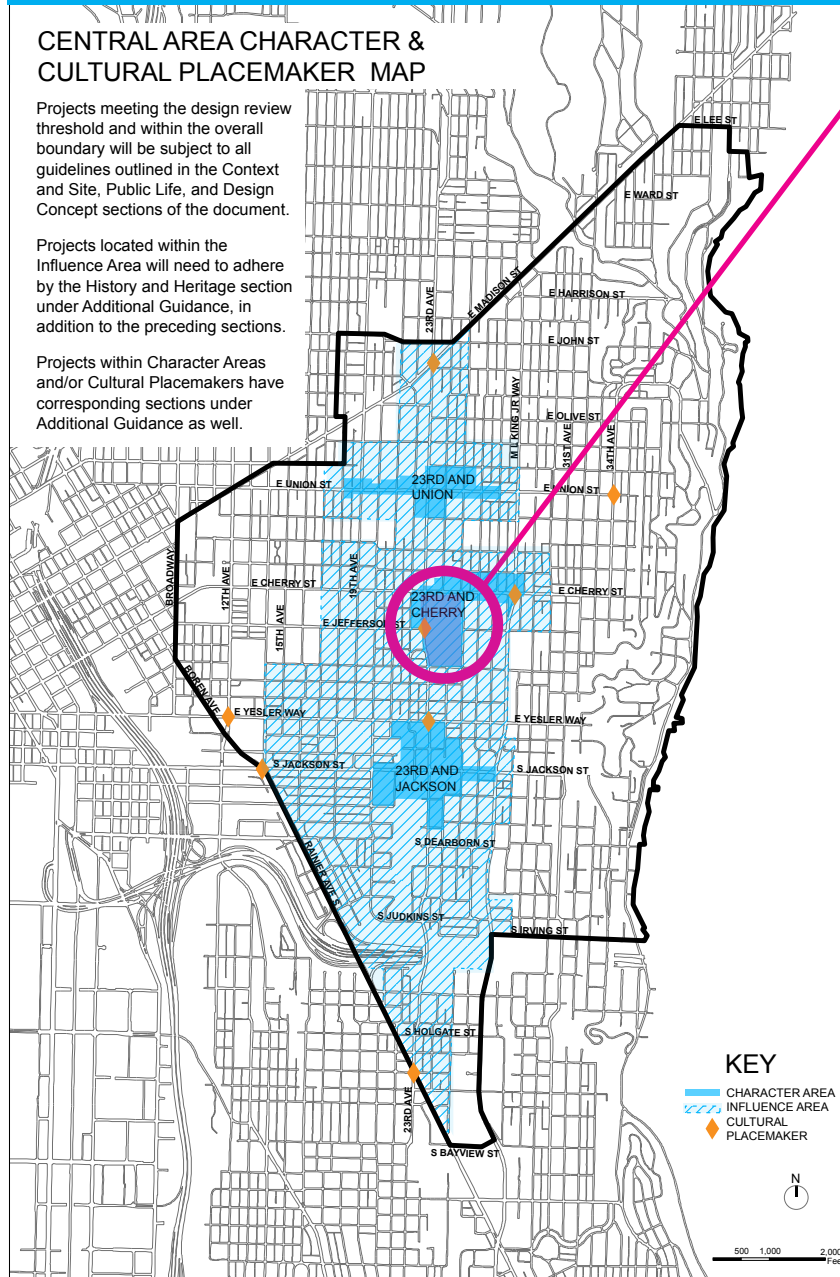

CENTRAL AREA NEIGHBORHOOD DESIGN GUIDELINES

CENTRAL AREA CHARACTER & CULTURAL PLACEMAKER MAP

Projects meeting the design review threshold and within the overall boundary will be subject to all guidelines outlined in the Context and Site, Public Life, and Design Concept sections of the document.

Projects located within the Influence Area will need to adhere by the History and Heritage section under Additional Guidance, in addition to the preceding sections.

Projects within Character Areas and/or Cultural Placemakers have corresponding sections under Additional Guidance as well.

GARFIELD SUPER BLOCK CAMPUS

NORTH:

- Garfield Park
- Garfield Community Center
- Medgar Evers Pool

SOUTH:

- Garfield High School
- Quincy Jones Performing Arts Center
- Garfield Teen Life Center

CULTURAL PLACEMAKERS

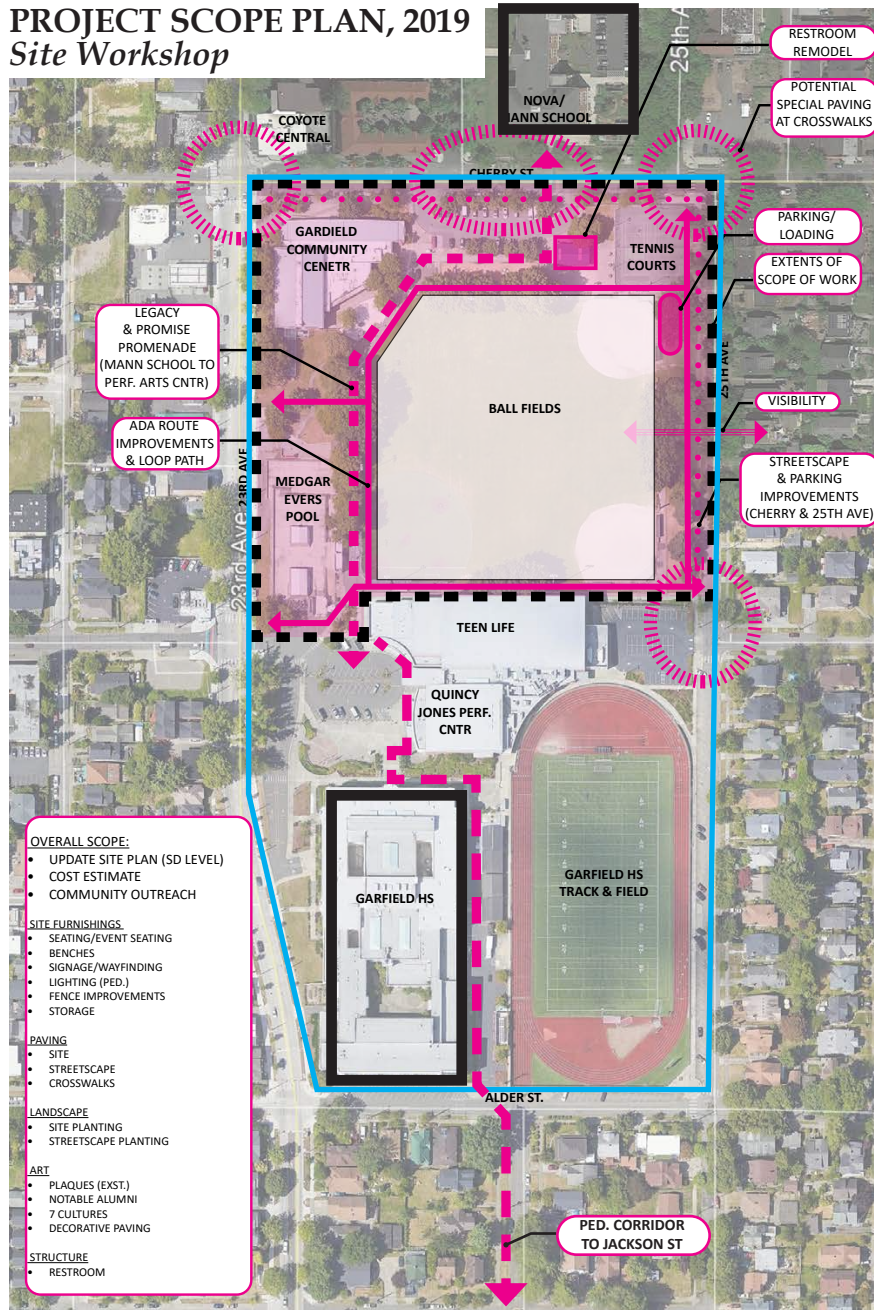

- Cultural anchors for the surrounding community
- Stimulate activities and create visual interest to enhance the Central Area's identity & provide a sense of arrival

CHARACTER AREAS

- Provide design features to express the history & cultural heritage of the neighborhood
- Reflect racial, economic, and multi-generational character of the area
- "Pockets of culture"
- Interpretive opportunities & visual expressions of art that tell the story of the neighborhood's history in engaging ways

PROJECT SCOPE & GOALS

PROJECT SCOPE PLAN, 2019 *Site Workshop*

The Garfield Super Block Campus is comprised of Garfield High School and Garfield Park. Located at the heart of the Central Area this campus is the neighborhood's placemaking hub or "Little City Hall", known for its ethnic and racial diversity as well as a rich history of development for Cultural Arts and Heritage.

Project Focus:

Legacy & Promise Promenade

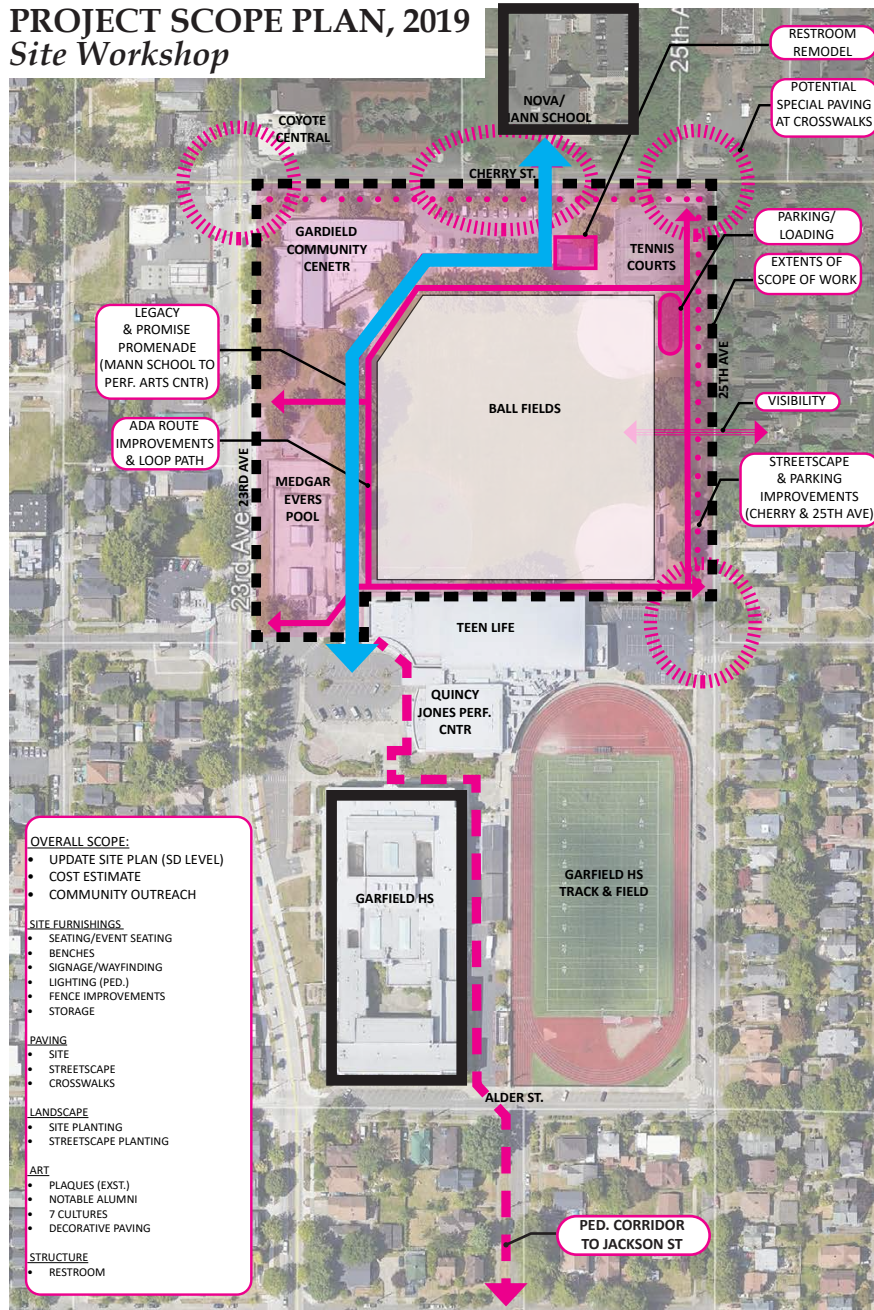

A pathway integrating art and narratives reflecting the immense cultural diversity and rich history of the Central Areas' seven ethnic groups of founding people.

Garfield Park

Improvements within the park to strengthen the overall site use and provide amenities that serve the neighborhood's diverse community.

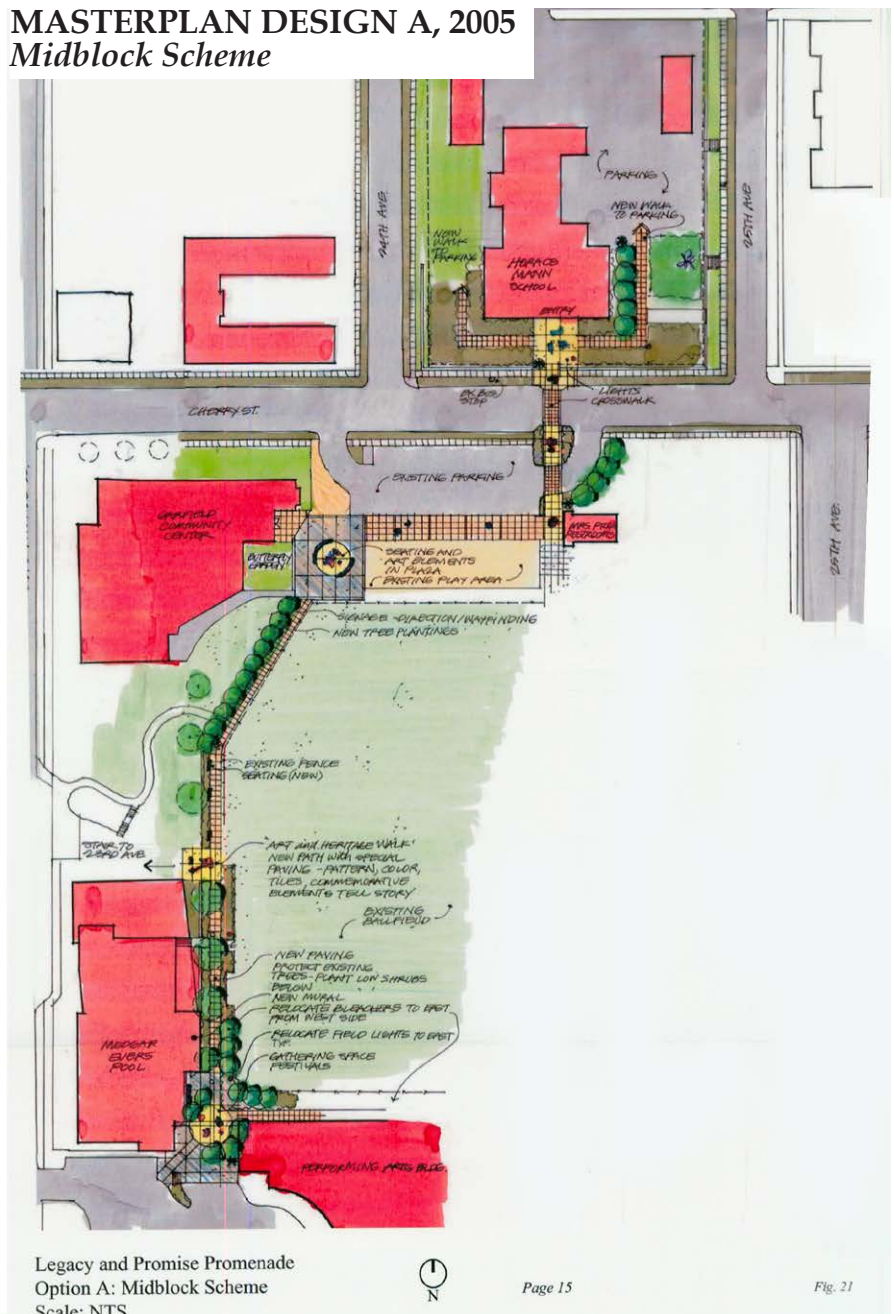

PROJECT SCOPE & GOALS

PROJECT SCOPE PLAN, 2019 Site Workshop

MASTERPLAN DESIGN A, 2005 Midblock Scheme

CULTURAL HISTORY

"Garfield High School has been and continues to be a significant contributor to the unique development, heritage and diverse cultural character and promise of the Central District."

Seattle Landmarks Preservation Board Designation Report

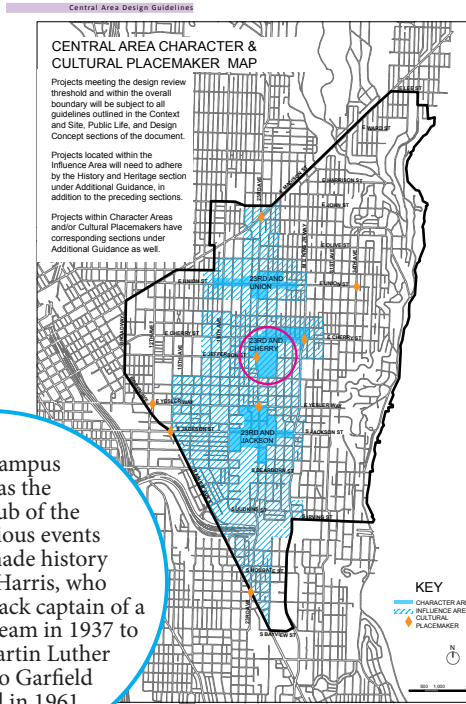

"In short, the Legacy and Promise Themes, and Placemaking Elements are created for our kids! So that they can have a better and continuous understanding of themselves."

-Robert Stephens Jr.

"We are not just creating a place for folks to play in... But we are creating a place/ space and environment where we can see a reflection of ourselves...while enjoying "THAT" space..."

-Robert Stephens Jr.

The Garfield Campus is considered as the Cultural City Hub of the Central area. Various events and people have made history here from Homer Harris, who became the first black captain of a Big Ten Football team in 1937 to Reverend Dr. Martin Luther King Jr's visit to Garfield High School in 1961.

GUIDING PRINCIPLES

Celebrate the diverse and rich history of the Central Area through artwork and integrated storytelling.

Welcome the neighborhood's diverse community and all people who are connected to the Central Area.

Be built with high-quality and beautiful materials that reflect the value of this park as the town center of the Central Area.

Have garden-like and nature-based experiences with NW native and garden plantings.

Include a continuous, generous and accessible walking loop around the park.

Provide play and recreation experiences for all ages and abilities.

Have ample amenities to support family gatherings, game-time viewing, community events and celebrations.

EXISTING SITE CONDITIONS

June 2020 Design

Preview Comments

Play area pockets may be too small and could prevent free play movements

Buffer between parking and play is more important than between play and fields

Artful fence needs to be compatible with ballfields (location and materiality)

Look at multi-uses at tennis courts

Show recently installed bleachers

Maintain storage for grounds crew and ball-fields

Prevent parking in planting strip on 25th

More trees and planting on east slope

Artful band through lawn and planting is problematic

Logs & boulders instead of nature play

Prefer ADA path to start at top of stairs

Look at safety zones for slides, climbing & porch swings

Show recently installed bleachers

Show recently installed bleachers

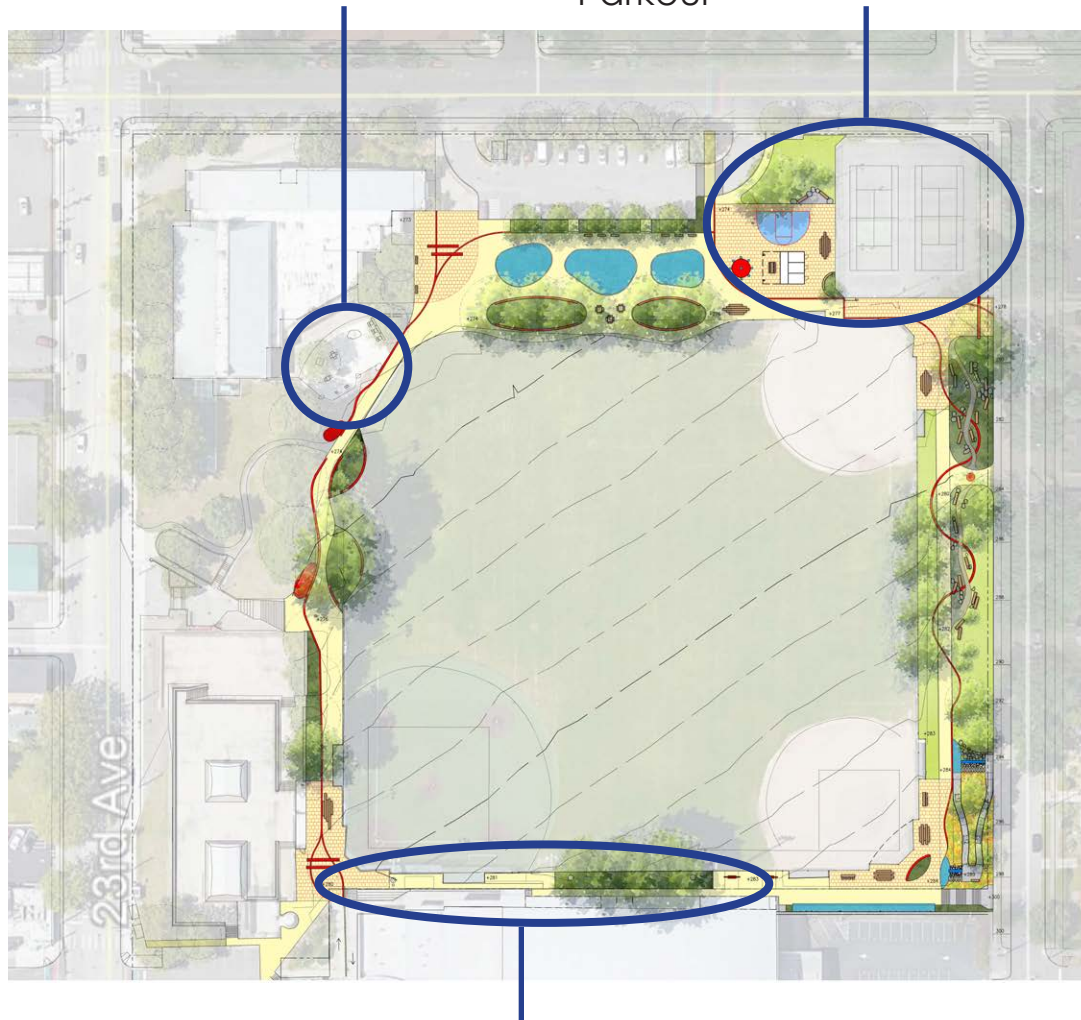

Elevated boxes may be tripping hazards

Need to maintain maintenance routes to
Community Center, Generator & Fields
Preserve existing tree canopy

Community Feedback

Art or Water Feature
in the Living Room

Full basketball court
More picnic tables and bbqs
Parkour

Put more resource to widening the south pathway
to provide a full loop experience

Continue the artful paving band on the south

Improve lighting

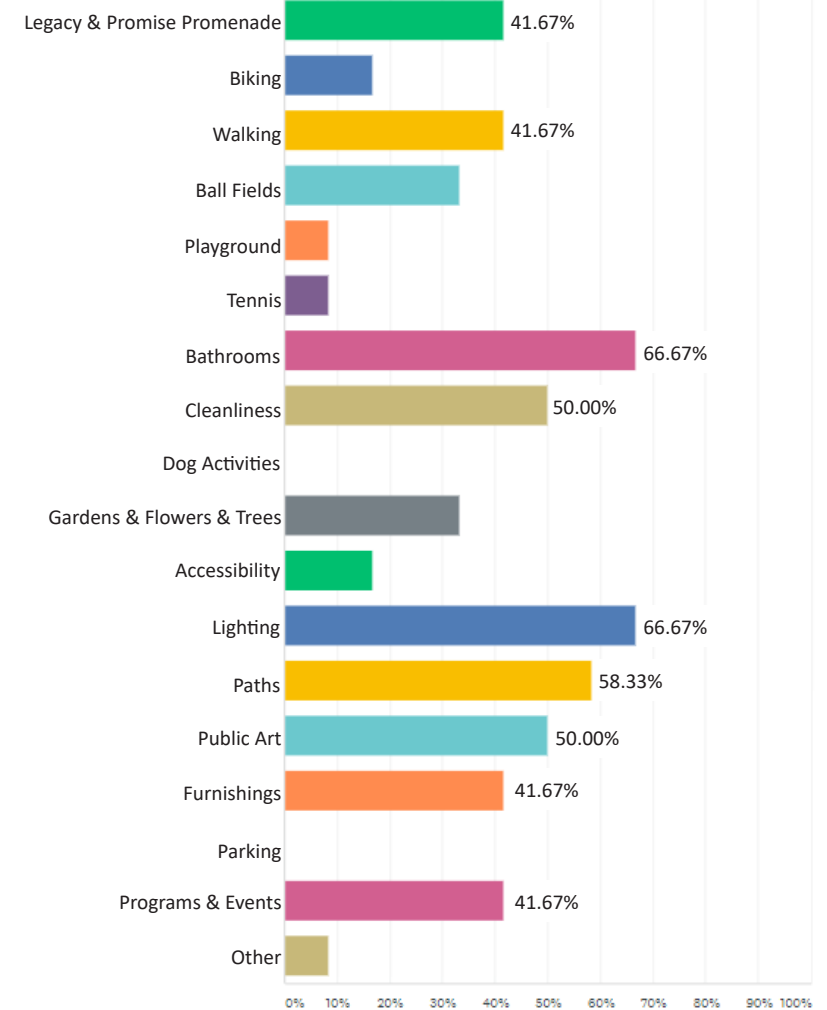

Art that is visible from the street

Coordinate with 23rd Ave wayfinding & signal box art

Is there an opportunity for Parkour

Opportunities with next ballfield renovation?

Improvement Priorities

Art Vision

To engage with the seven different cultural groups that are historically represented in the area, including the (1) Duwamish (2) Jewish (3) Black/African American (4) Japanese (5) Chinese (6) Filipino (7) Italian to create a series of artworks that tell the history of the area and reflect the pride in its cultural background.

Gateway Artworks

Sculptural Furnishings

Groundplane Artworks

Fence Art

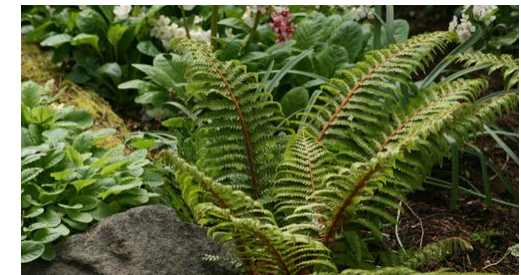

Planting Approach

-  Lawn
-  Pacific NW Natives
-  Garden Planting
-  Streetscape Planting
-  Potential Trees for Removal
-  2:1 Replacement Trees

NATIVE PLANTING

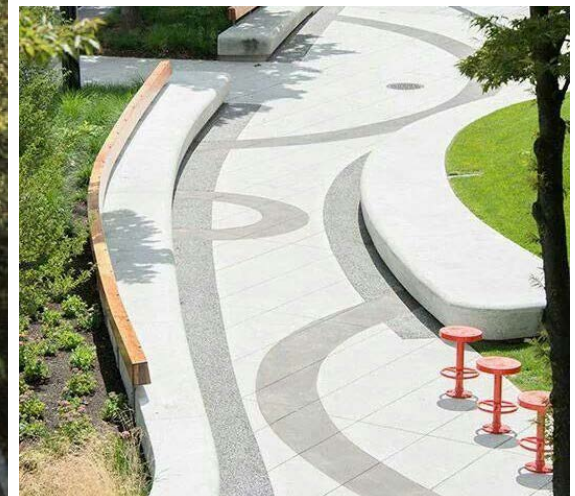

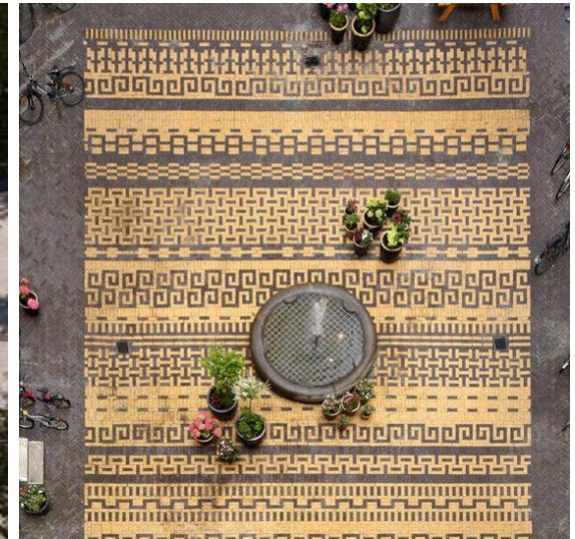

GARDEN PLANTING

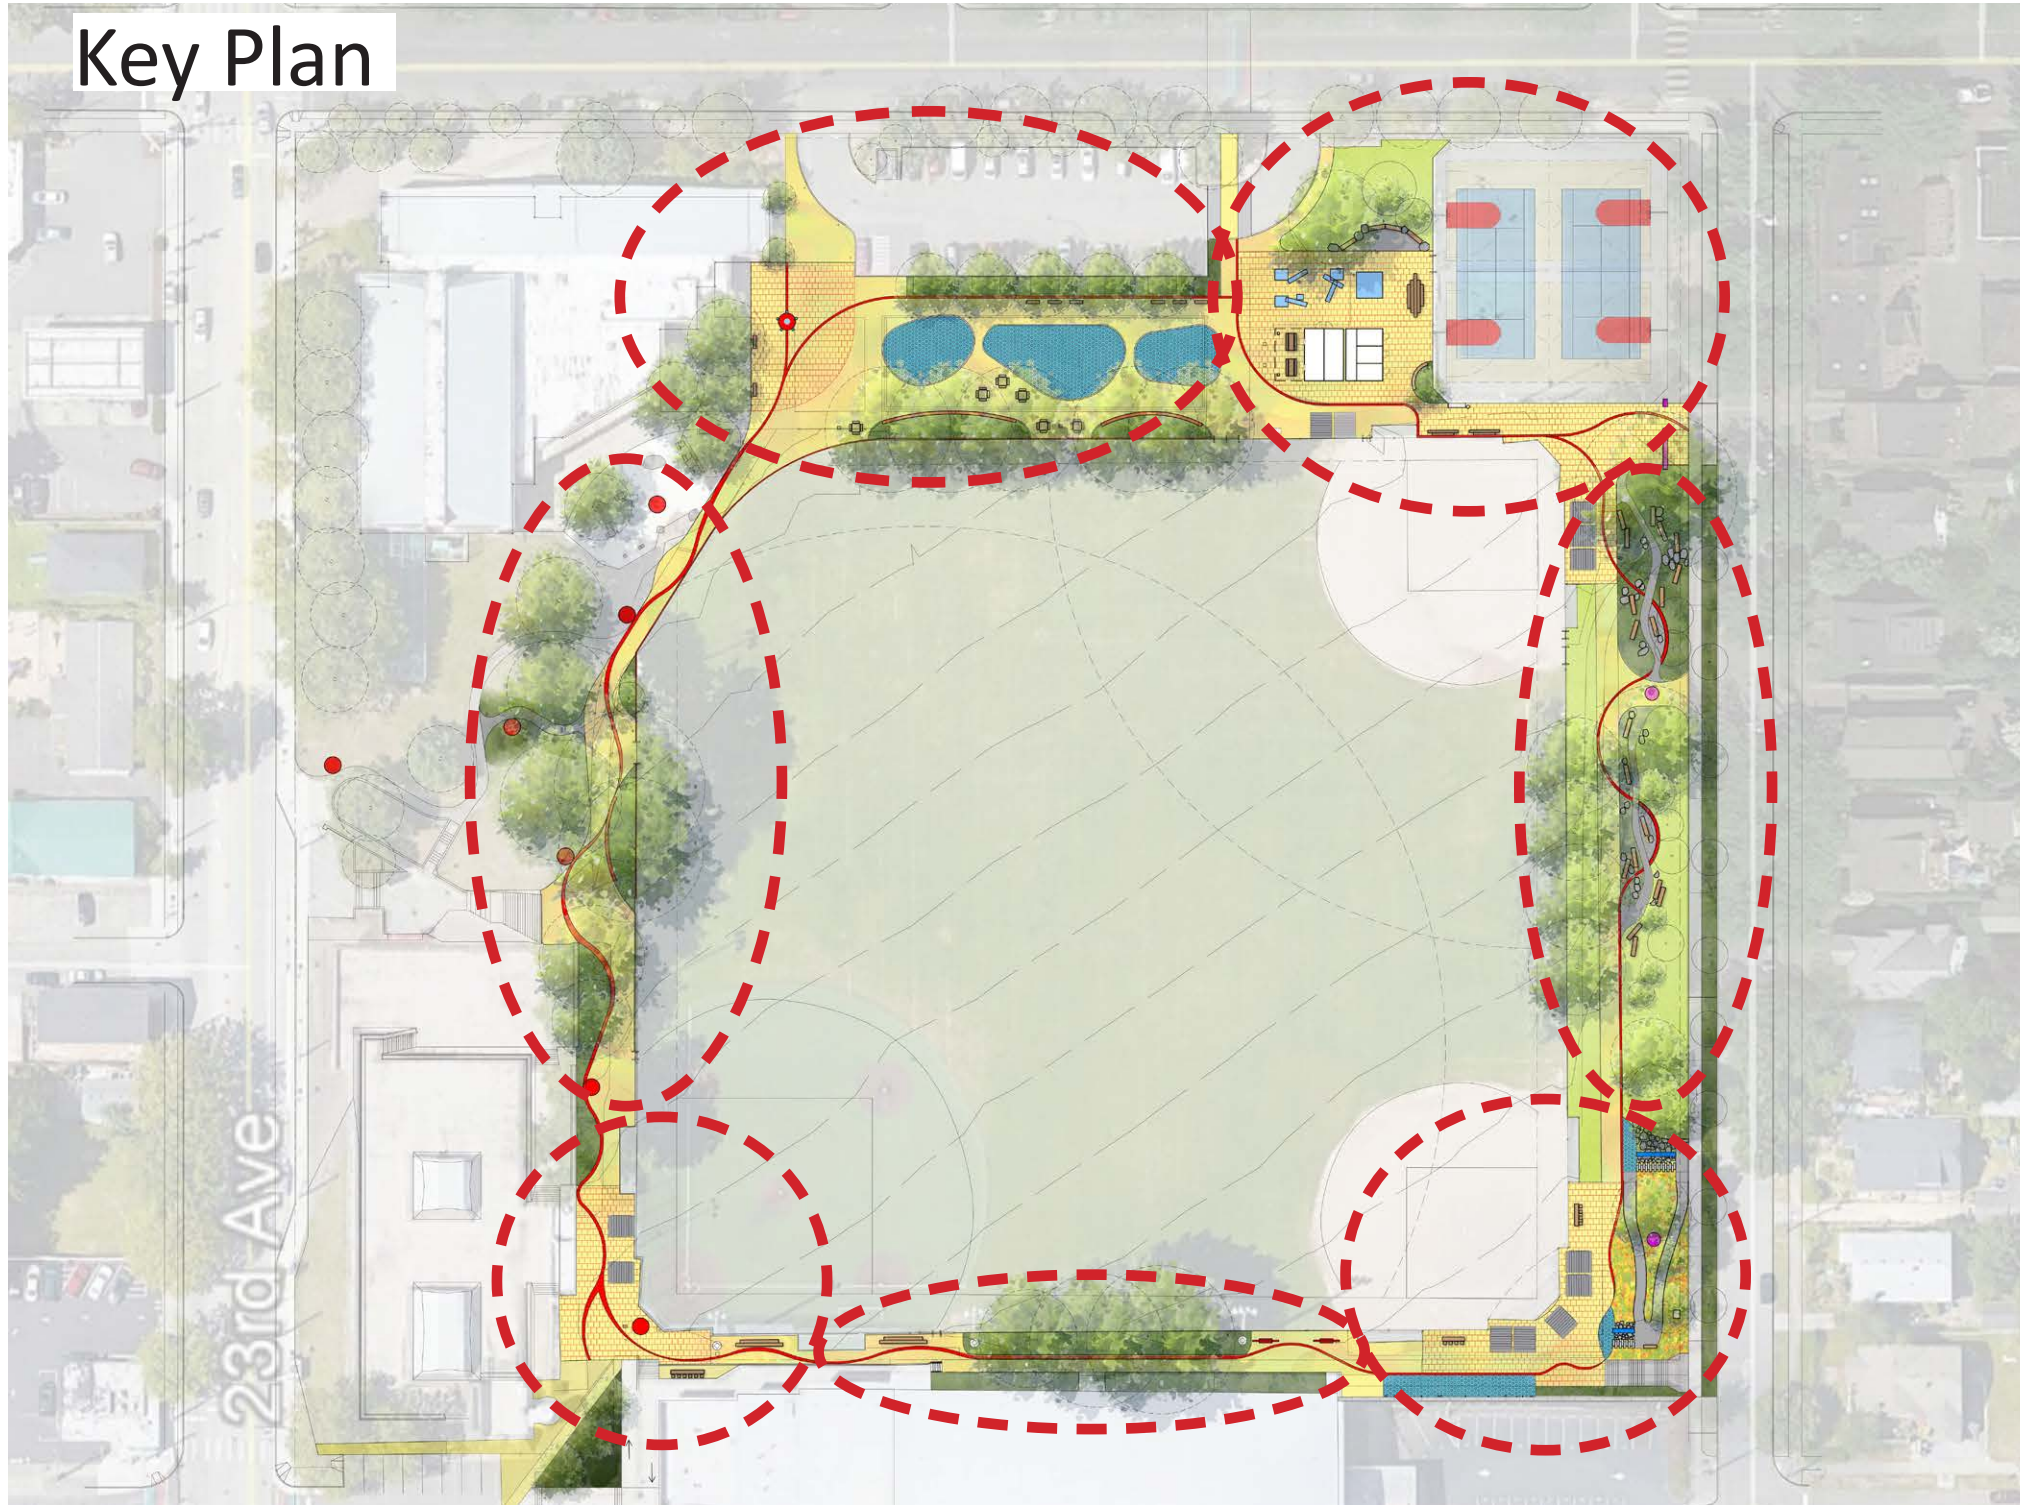

Cultural Loop

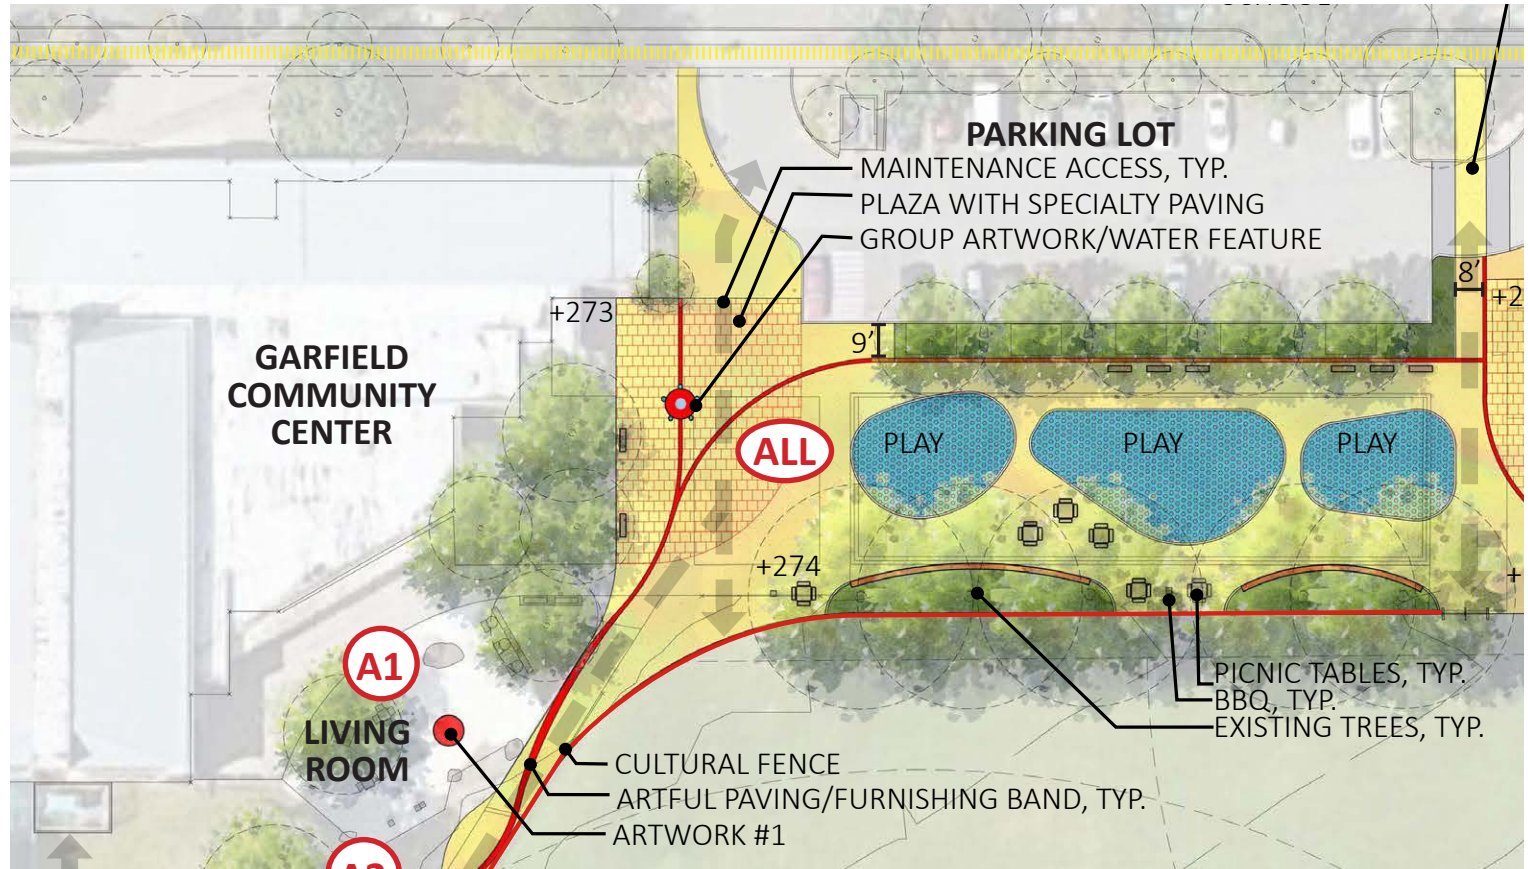

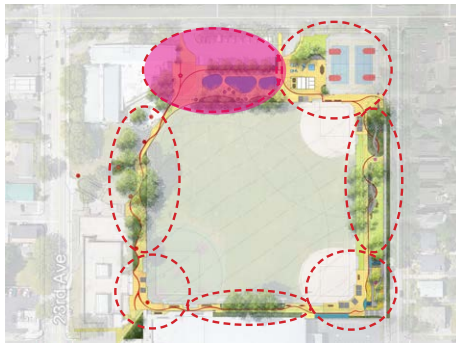

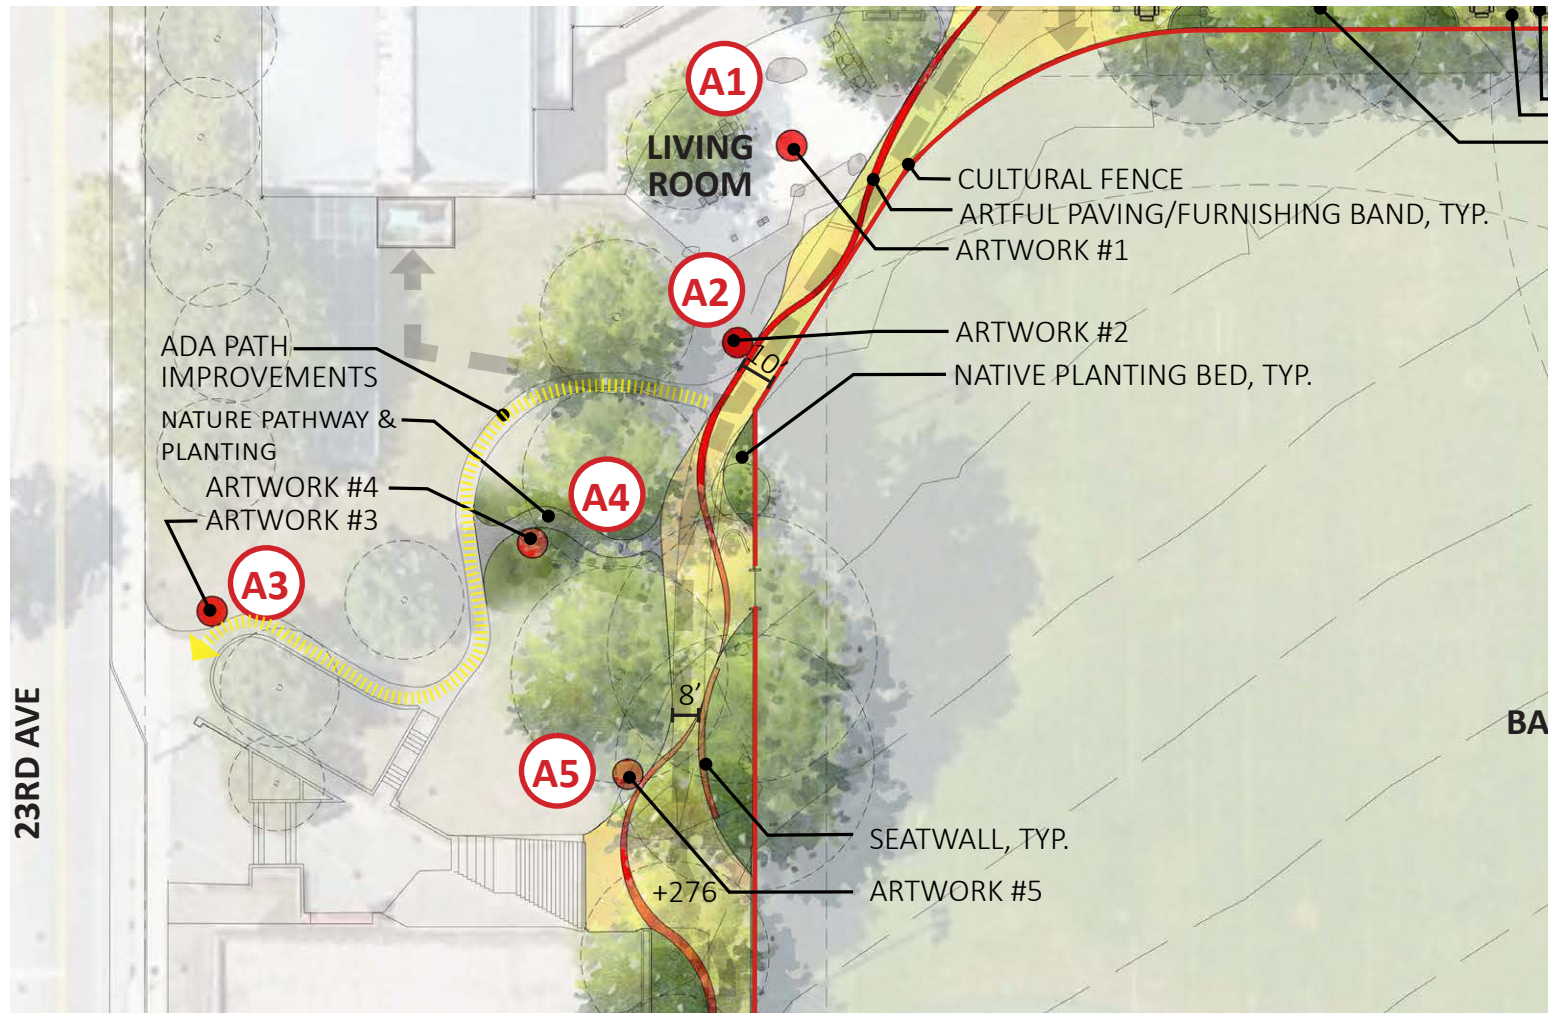

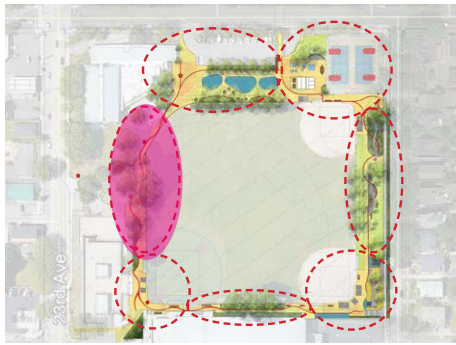

-  Cultural Loop
-  Cultural Plaza
-  Heritage Ribbon

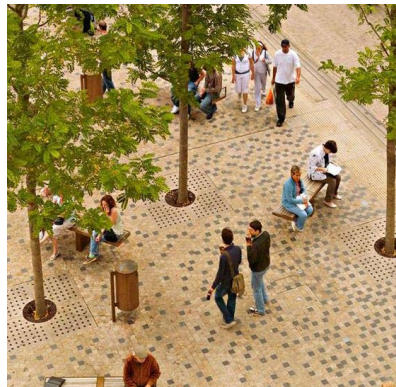

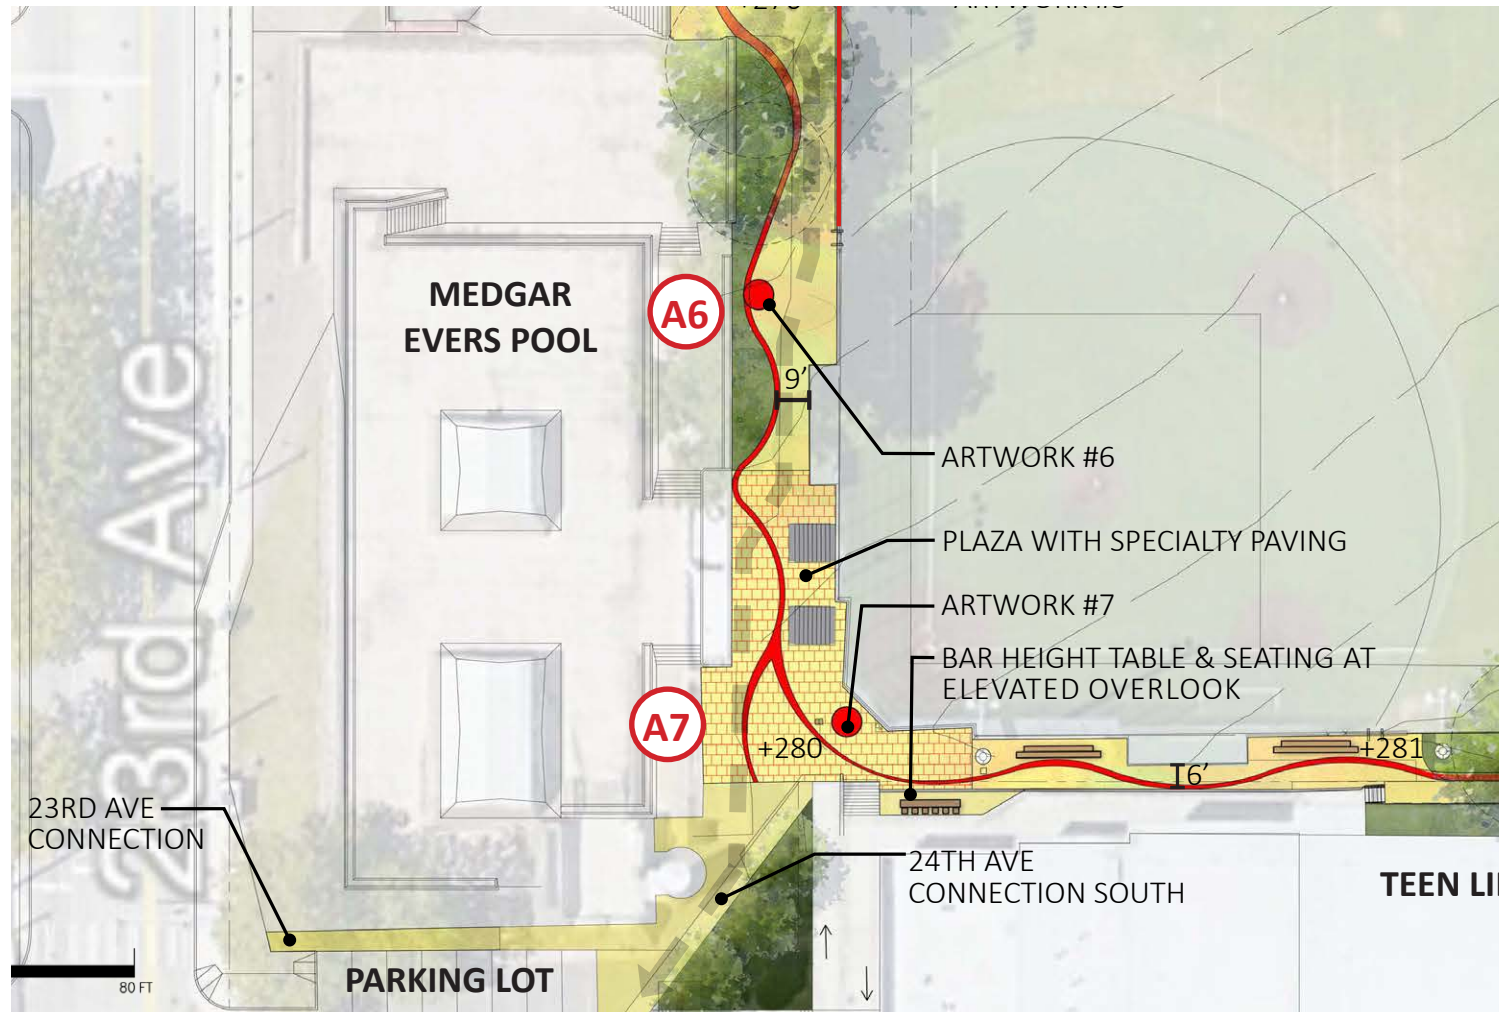

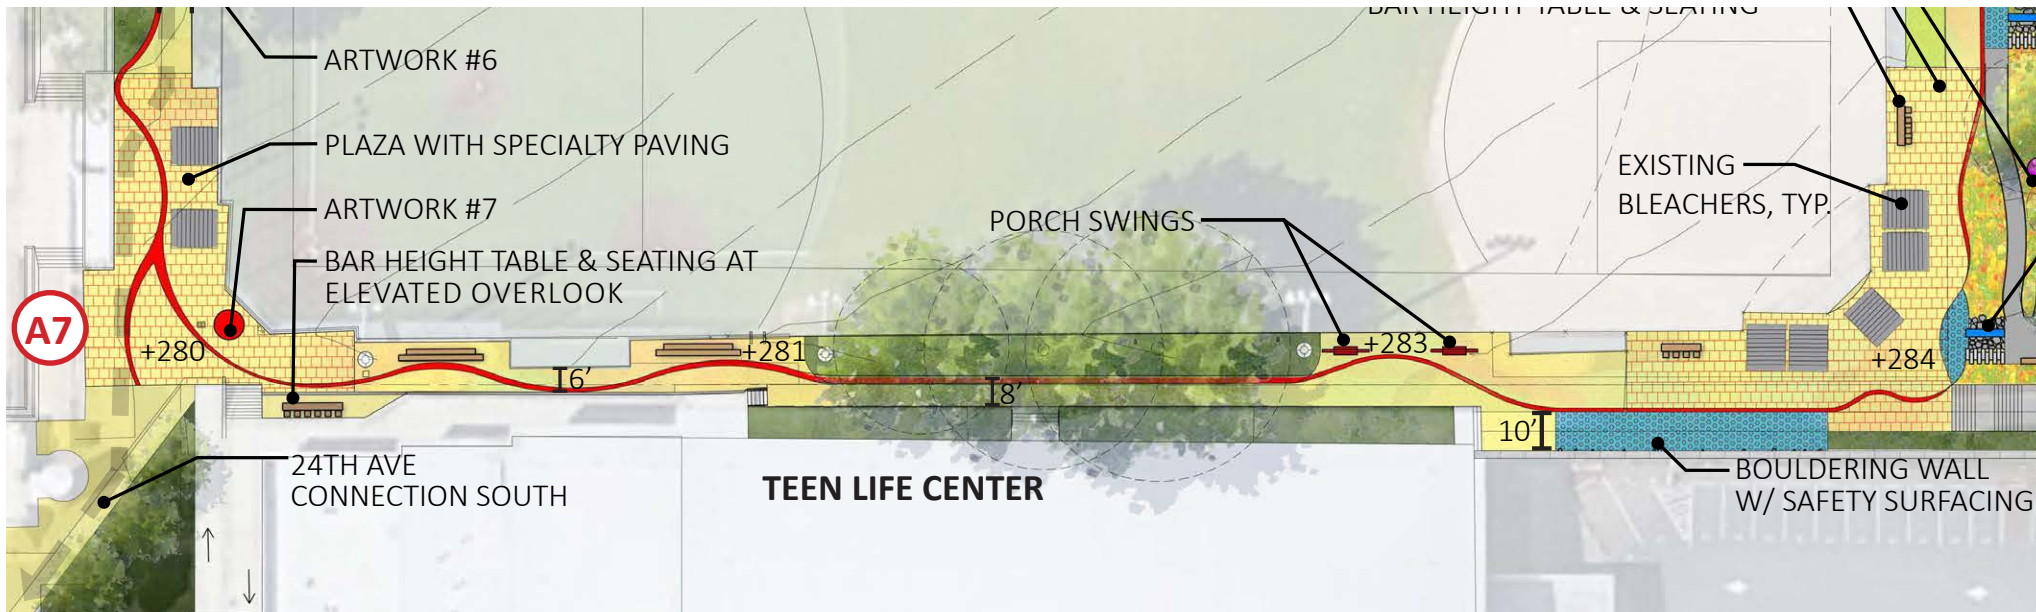

Key Plan

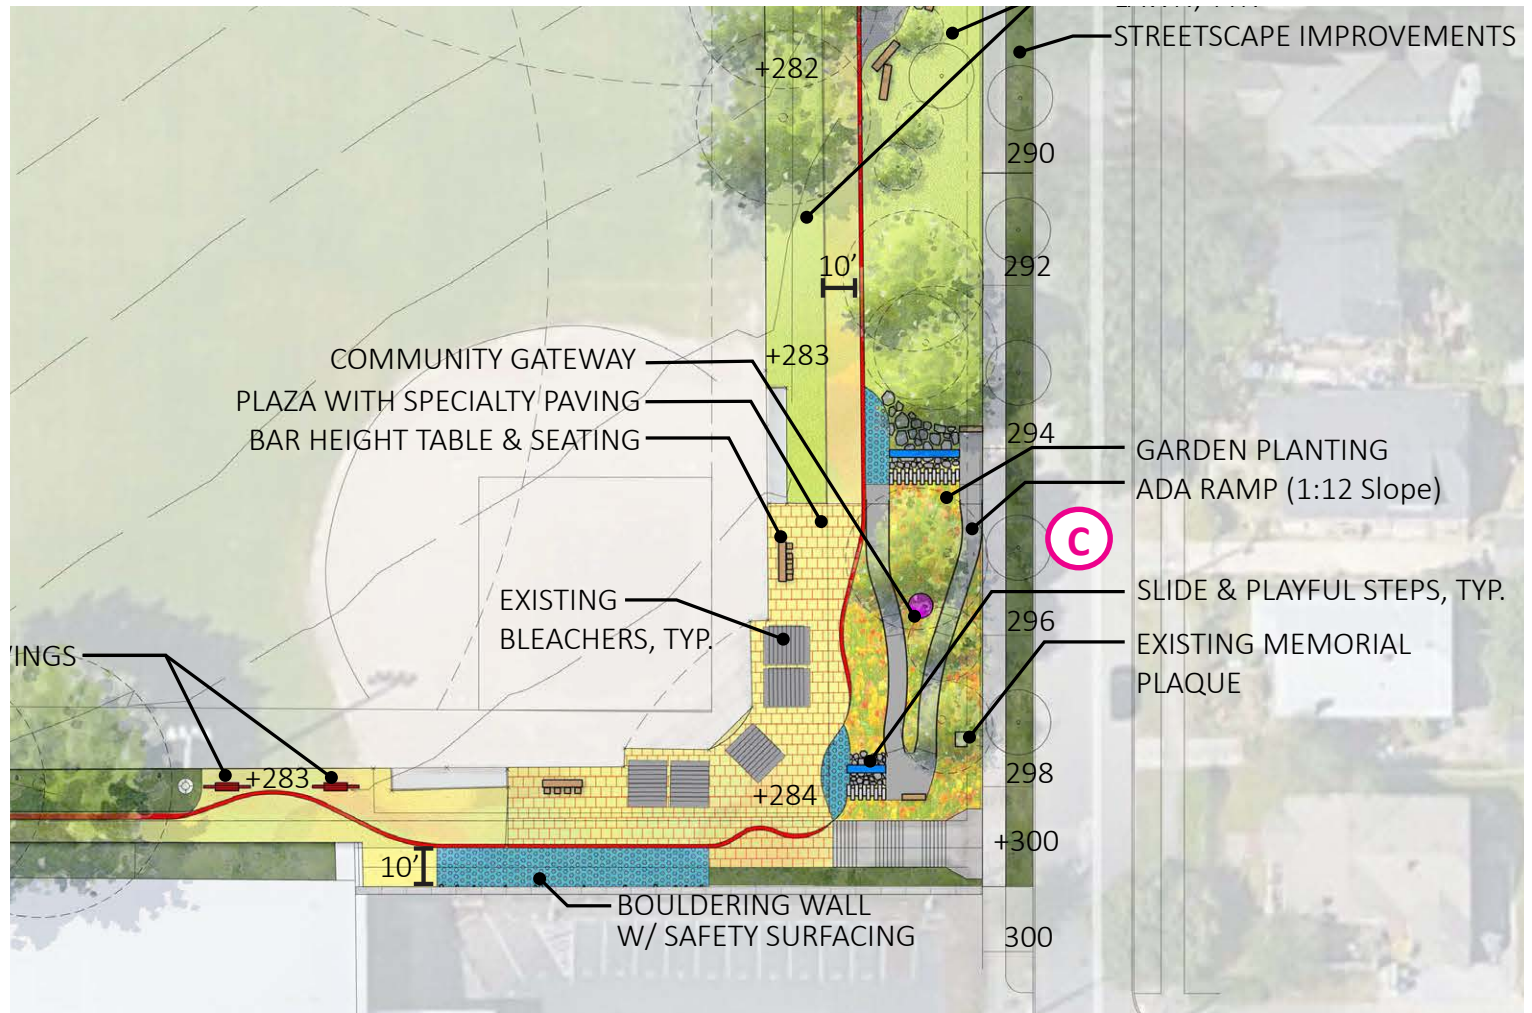

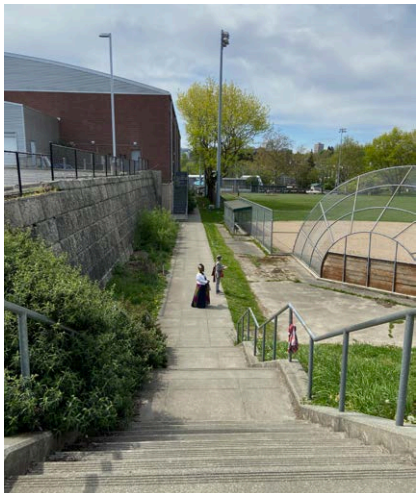

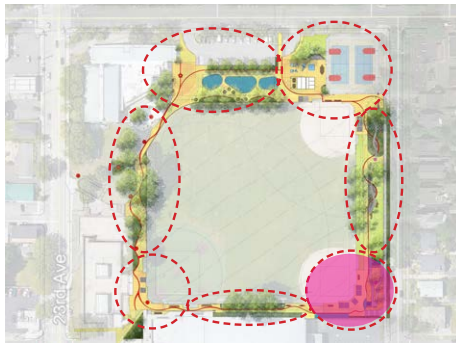

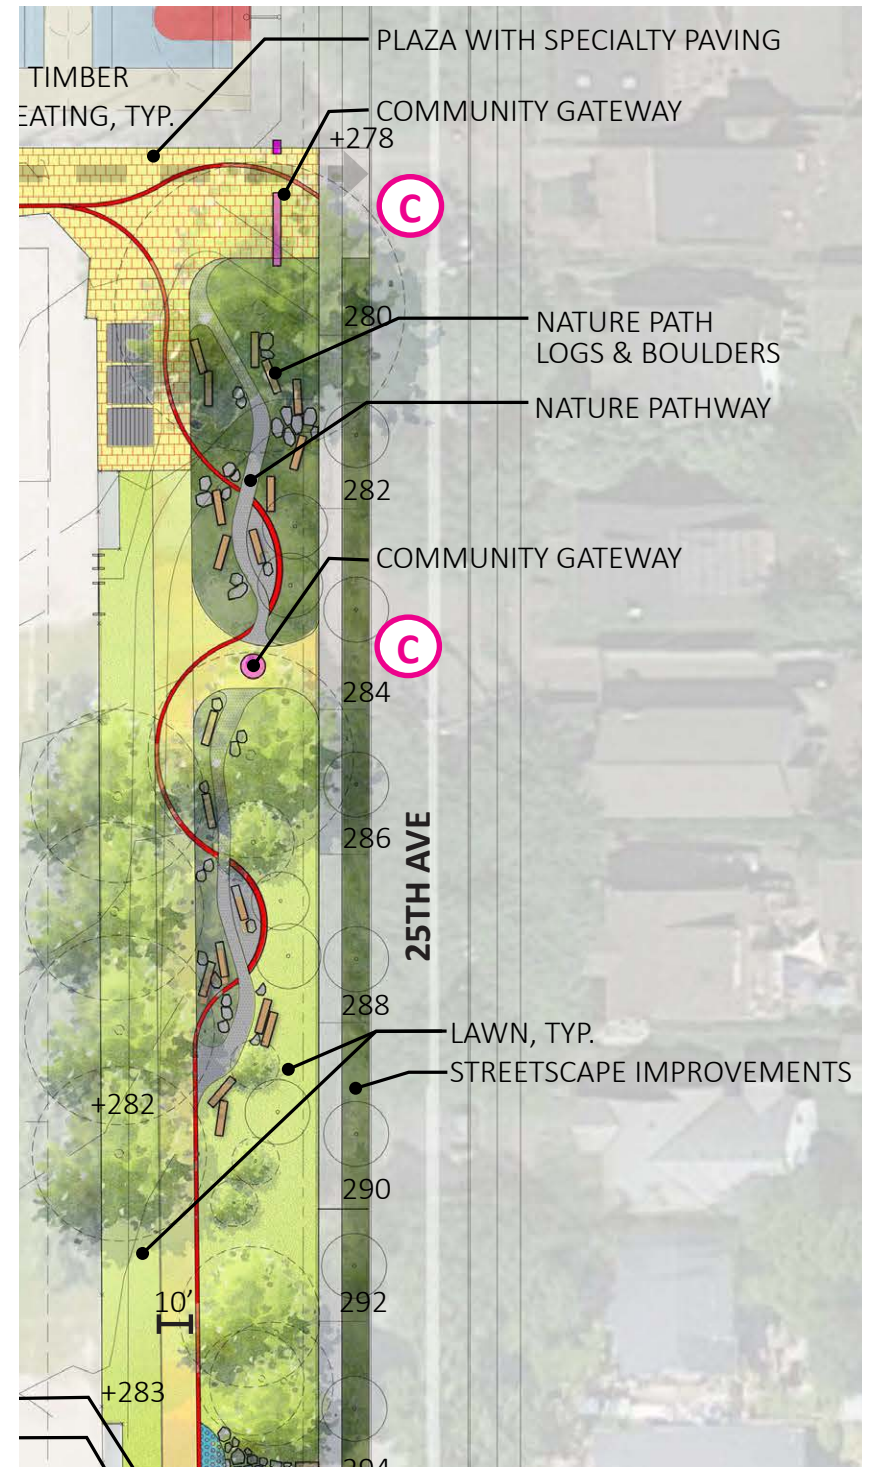

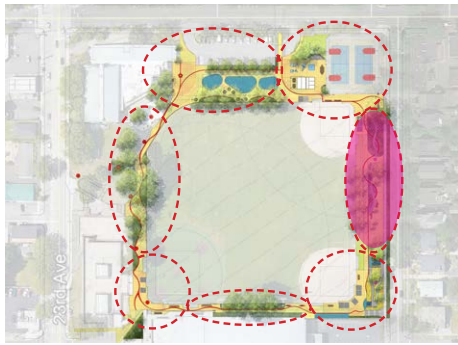

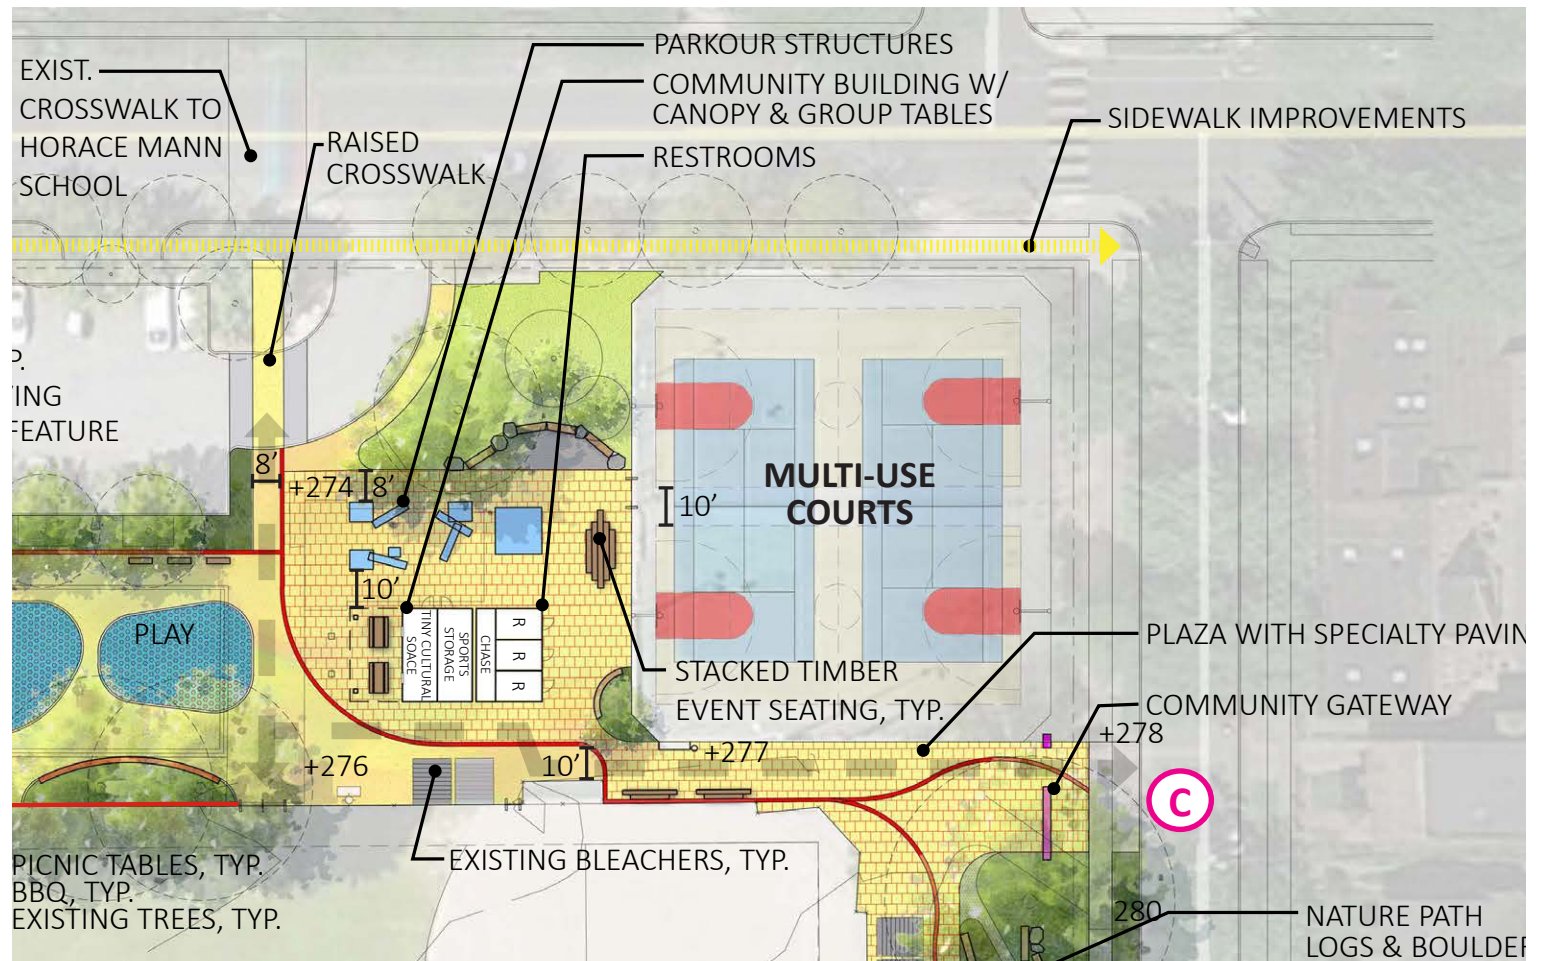

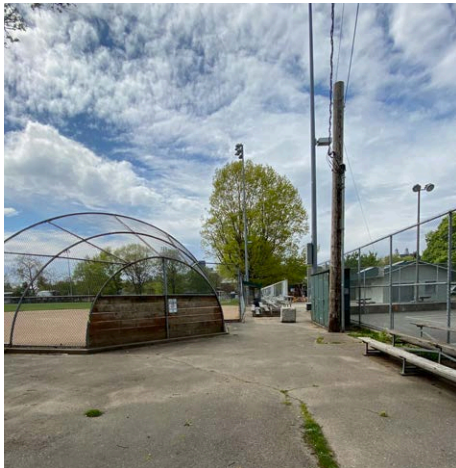

RESTROOM & CULTURAL BUILDING

Existing structure:

- Gendered Restrooms
- Women's restroom requires a ramp and faces the street
- Men's restroom faces gathering space
- Concessions is single purpose and not used
- Current location creates dead space around it.
- Dark, unwelcoming, unsafe feeling.

RESTROOM & CULTURAL BUILDING

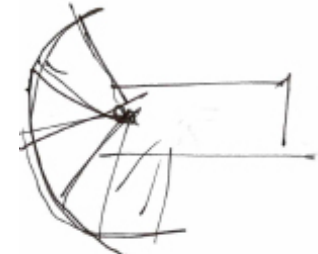

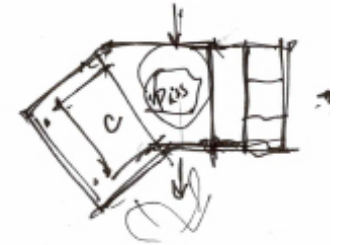

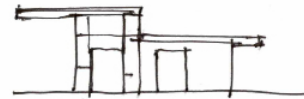

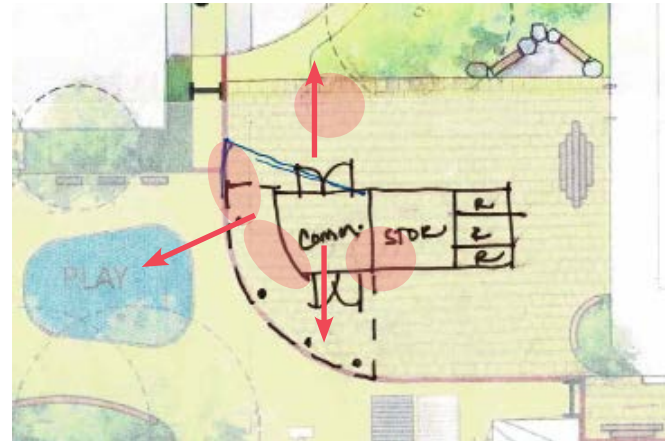

Updated Restroom:

- Non Gendered Restrooms
- Accessible entry to restrooms
- Cultural Space could be multi-purpose.
- Indoor and Outdoor spaces support gathering activities
- Joyful and Welcoming architecture celebrates the park.
- Improved visibility and lighting for safety

Key Features and Callouts:

- Garfield Community Center:** Living Room, Artwork #1-7, ADA Path Improvements, Nature Pathway & Planting.
- Horace Mann School:** Cherry St, Existing Crosswalk to School, Parkour Structures, Community Building w/ Canopy & Group Tables, Restrooms, Sidewalk Improvements.
- Parking Lot:** Maintenance Access, TYP., Plaza with Specialty Paving, Group Artwork/Water Feature.
- Ball Fields:** Central green space.
- Multi-Use Courts:** Stacked Timber Event Seating, TYP., Existing Bleachers, TYP.
- Plaza:** Plaza with Specialty Paving, Bar Height Table & Seating at Elevated Overlook.
- Nature Pathway:** Nature Path Logs & Boulders, Nature Pathway.
- Teen Life Center:** Porch Swings, Bouldering Wall w/ Safety Surfacing.
- Community Gateway:** Marked with 'C' in a circle.
- Artwork:** Artwork #1-7.
- Seating:** Seatwall, TYP., Bar Height Table & Seating at Elevated Overlook.
- Planting:** Native Planting Bed, TYP., Garden Planting, ADA Ramp (1:12 Slope).
- Other:** Existing Trees, TYP., Existing Bleachers, TYP., Existing Memorial Plaque.

Dimensions and Elevation:

- Dimensions: 8', 9', 10', 16', 18'.
- Elevations: +273, +274, +276, +277, +278, +280, +281, +283, +284, +286, +288, +290, +292, +294, +296, +298, +300.

Scale and Orientation:

- Scale: 0 to 60 feet.
- Orientation: North arrow pointing up.
