The image shows a diagram of the revised committee structure for the City of Seattle's Bicycle Advisory Board. The diagram outlines various committees and their responsibilities, including:

- **Evaluation and Planning**
  - Tri-Party Group
  - Bike Parking Code Changes Committee
  - Bridging the Gap Committee
  - Bike Master Plan Implementation
  - Complete Streets Implementation
  - Project Reviews
  - Website Info and Updates
- **Engineering (Projects)**
  - SDOT Paving Plans
  - Monthly Meetings
- **Enforcement (Admin)**
  - Bikeability Tours
- **Encouragement and Education (Outreach)**
  - SPAB Coordination

The diagram also includes a section for ongoing actions related to bikeability tours and SPAB coordination.
