MASTER PLAN PRINCIPLES
• Flexible & Dynamic Spaces
• Visual Openness & Sense of Place
• Art & Vibrant Programs
• Green Canvas & Urban Forest
• Drawn to the Center

DESIGN COMMISSION SCHEMATIC DESIGN COMMENTS
• Create a Dynamic Space that can evolve & change over time
• Reconsider Portals’ Location and Character
• Canopy should serve campus first; connection to exhibit entry secondary
• Extend Lush Plantings beyond Site
• Design Mural Plantings so they will thrive & provide varied color
• Fence: Vary Height & Density, Meander & Extend to east side of Promenade
• Meander Garden Path to create bold eddies with places to linger
• Intersection of Space Needle paving and Promenade needs better resolution
• Keep east outdoor dining open to public more often than not
• Move Fence at Thomas Street to allow public to interact with vestibule facade
