Concept Alternatives Review
10:15 – 10:30

Group Review Session
10:30 – 11:15

Group Report Back
11:15 – 11:45

Next Steps
11:45 – Noon
CONTEXT + ANALYSIS
NEIGHBORHOOD CONTEXT
EXISTING CONDITIONS
**Group #1**
- Need more inside parking
- Open up 8th Avenue
- Walking trail improvements
- Bocce/croquette/skate park/art sculpture
- 8th Avenue & Cloverdale sidewalk
- View points – city fireworks
- Amphitheater for plays/music
- View picnic areas
- Pea Patch
- Expand play area parking
- Disc golf

**Group #2**
- Reservoir lid – multipurpose field with lots of open space
- Kite festival space
- Picnic/bocce/barbeque with a view
- Stage area in valley – concerts/outdoor cinema/theater
- Art concepts – murals/sculptures/totems
- Expand play area parking lot
- Evening and night lighting
- Measured distance paths

**Group #3**
- Coverdale dog park parking lot improvements and expansion
- Increase in park parking opportunities
- A look out as a center piece/art space
- Disc golf activity keeps good use in park space
- Better maintained trails
- Dog park modification to integrate better with non dog park uses
- Soccer fields
- Expand playground
- Improve safety

**Group #4**
- Disc golf in valley if woods off limits
- Swing sets on the view
- Big play ground chutes and ladders castle Volleyball
- Exercise equipment in dog park
- Spray ground
- Tee boxes for disc golf as art/interpretive
- Lighted walkways

**Group #5**
- Parking is #1 issue
- Cloverdale dog park parking lot is too small
- Community signage in park
- Climbing wall like Camp Long
- Multi-use area
- Adequate restrooms
- Park walking trail improvements
- Amphitheater
- Pea patch

**Group #6**
- Look at park as a whole
- Improve sidewalks
- Beginner disc golf
- View tower
- Benches/art/pea patch/bocce
- Drainage issues
- Parking is a problem
- Blind intersections need traffic control
- Involve Duwamish tribe in art

**Group #7**
- Disc golf in park
- Skate park near look out area
- More parking at playground, parking island
- Wiffle ball field
- Trail lighting – solar powered
- Drainage at valley

**Group #8**
- Pea patch in open sunny area
- Bocce ball
- Incorporate natural setting
- Interpret nature…nature walk
- Expand dog park
- Connections to Duwamish
- Nature consortium in green belt
- Restroom security
- Disc golf

**Group #9**
- Parking is #1 issue
- Cloverdale dog park parking lot is too small
- Community signage in park
- Climbing wall like Camp Long
- Multi-use area
- Adequate restrooms
- Park walking trail improvements
- Amphitheater
- Pea patch

**Group #10**
- Climbing/restrooms great
- Expand existing dog park and play area parking areas
- Reservoir lid as athletic fields
- Off leash kids area
- Add parking for lid area
- Pea patch at bottom of valley
- Running trails/lighted walking trails
- Watch light pollution for neighborhood
- Skeet shooting
- Increase pedestrian access on west side
- Amphitheater
- Disc golf
- Art/public art/rotation of local art

**Group #11**
- Parking and traffic control. Multiple parking spaces/solutions
- Drainage issues
- Keep water as theme…bird habitats
- No amphitheater…not used enough
- Pea patch adjacent to apartments
- Views to Mt. Rainier
- Path on ridgeline of reservoir
- Harness wind in art
- Unprogrammed open space
- Touchable/functional art…not like the untouchable sculpture park

**Group #12**
- Disc golf
- Parking
- Pavilion/picnic area
- Exercise trail with viewing
- Disc golf in woods and on edge of open space
- Art in disc golf baskets…art targets like Sedro Woolley
- Skate park
- Pea patch
- Open space…bocce ball/ultimate Frisbee

**Group #13**
- Neighbors within one block
- Athletic fields/ultimate Frisbee on lid…natural grass or synthetic
- Parking is a big issue…at play area lot
- Village green on the lid…structure on the lid?
- Good fencing and adjacent complimentary activities at dog park
- Central focus at look out
- Pea patch north of play area
- Disc golf in the woods
- Art…well defined pedestrian access framed by art
- Bathroom close to fields…improve bathrooms
- Coordinate SPU fencing with dog park and future use
- Dog park barbed wire fence will come down but dog park fencing will remain as part of SPU project parks is coordinating
- Can pedestrians coexist with pedestrian non disc golf use?
- More parking at dog park area to accommodate all dog park use
- Parking associated with use
- Good dog park fencing
- Sidewalks are important around park. Create safe access
- Mixed use fields
- Manage traffic
- Traffic impact analysis
- SDOT/Bridging the Gap Levy…parks/neighbors, etc should contact SDOT
- Be sensitive to green belt and environment/trees
- when proposing parking lots
- SDOT invitation to next meeting
COMMUNITY
GOALS

Make the park **accessible**.

Make the park **safe**.

Make the park **whole**.

Create **walking** opportunities.

Capitalize on the **views**.

Provide **multi-generational** gathering spaces.

Provide **unprogrammed** open space.

Integrate **art** into the park.

Provide adequate **parking**.

Improve the **drainage**.
