

# SUPPORTING DIVERSE AND ENGAGED COMMUNITIES

Support a diverse and vibrant Delridge neighborhood where people of all ages, backgrounds & cultures can find meaningful support, opportunities to give back to their community and safe gathering spaces to build community.

Our vision is of a community where all people feel safe and welcome, have access to meaningful employment and have the opportunity to live their lives to the fullest potential, sustain their cultures, and meet their needs. Delridge is a neighborhood rich with people from many backgrounds who are eager to work together. We have collectively invested in developing strong community-oriented organizations. Neighborhood assets reflect the community and are equitably accessed.

## Community Priorities

- Organize the community to work with the City to implement the Action Plan
- Broaden awareness and participation in events like Delridge Day, Art in Nature and Delridge Neighborhoods Cultural Events Series that establish Delridge's identity as the place where "Nature, Art, and Culture Collide."
- Support immigrant communities with sustaining their culture, developing leaders, and by taking steps reframe historically white led programs and organizations to include and align with the priorities of communities of color.
- Raise awareness about local workforce training programs.
- Establish an economic development strategy that includes local job opportunities.

# ACCESS TO FOOD - HEALTHY LONGFELLOW CREEK

## Promote a healthy Delridge by increasing access to affordable, healthy food for all families.

Improve access to healthy affordable food for families of all incomes by establishing a network of food access that includes: opportunities for gardening and learning about growing food, supporting the Delridge Grocery Co-op, improving transportation, and delivering support services.

### Community Priorities

- Support development of a grocery store that serves North Delridge
- Work with Seattle's Humans Services Dept., West Seattle Food Bank, retailers and other to coordinate access to affordable healthy food.
- Support opportunities to learn about farming and cooking.

What	Lead & Potential Roles	Funding Opportunities	Next Steps

## Transform the Longfellow Creek Basin, creating green elements that welcome the rain - storing, draining and cleaning it - sustaining the natural and build environments.

### Community Priorities

- Prioritize Natural Drainage System improvements to improve drainage and pedestrian connections to destinations like schools, parks and transit.
- Continue efforts to implement improvements to regulations and coordination of infrastructure to ensure that rainwater and surface water along hillsides and adjacent to Longfellow Creek are handled and conveyed to reduce impacts and protect the environment.

# DYNAMIC NEIGHBORHOOD DESTINATIONS

## Develop easily accessible neighborhood destinations with distinctive characters and a mix of business, services, homes, cultural and recreational opportunities

We continue to work toward building neighborhood destinations where people gather, shop and get needed services. We have taken great strides by founding the Delridge Neighborhoods Development Association and developing places like the Youngstown Cultural Arts Center, Brandon Place, the Delridge Branch Library, and we have welcomed several new restaurants. We are ready to leverage our work and investments stimulate more economic development.

### Community Priorities

- Create a community partnership to support existing and new small businesses.
- Improve the sense of identity and place, working through the Delridge Way Multimodal Corridor Project to add landscaping, lighting and transit shelter, and identify opportunities for art, signage and other design elements.
- Focus and coordinate transportation and other infrastructure investments in order to create easy access and improve the neighborhood destinations.
- Support development of a grocery store that serves North Delridge.

# ACTIVE TRANSPORTATION

## Ensuring Delridge Way SW and adjacent streets support safe and predictable movement of people and goods.

Make improvements that provide safe transportation connections to community destinations for people of all ages and abilities, support economic development and improve the character of Delridge Way SW and the community destinations along it.

### Community Priorities

- Improve connections between Delridge and surrounding neighborhood business districts where residents shop and obtain needed services.
- Create frequent and reliable transit connections to employment centers.
- Provide safe routes to local schools, parks and food within the neighborhood.
- Increase focus on transit, bicycle, and walking opportunities within the community, knitting the neighborhood to all elements of the multimodal corridor.
- Manage on and off-street parking to provide access to businesses along Delridge Way.
- Transform this major roadway into an aesthetic centerpiece of the Delridge neighborhood.

# ACTIVE PARKS AND CULTURAL FACILITIES

## Preserve, create and activate parks and cultural facilities for the health of Delridge's communities and environment.

Create a community vision for Delridge's parks and cultural facilities that promotes preserving and activating them for the health of all Delridge communities and the environment.

### Community Priorities

- Establish an identity for the neighborhood as, "Delridge - Where Nature Art, and Culture Collide."
- Foster partnerships between Seattle Parks and Recreation, and community organizations to expand awareness, and participation of underrepresented communities in parks and cultural facilities.
- Build community partnerships and secure funding for culturally-supportive programming.
- Create recreational and cultural opportunities for people of all age in parks, the Delridge Community Center and at Youngstown.
- Support DNDA's work to acquire and build the Wetland and Stewardship project at the former substation at 23<sup>rd</sup> Ave SW and SW Findlay St.
- Improve physical and visual access to Camp Long and visual access to West Seattle Golf Course.
- Improve trails and stairways to provide opportunities to walk and enhance access throughout Delridge and to the West Duwamish natural areas.
- Work through capital projects and grants to increase safe routes to parks.
- Increase the diversity of play equipment and activities at Greg Davis and Cottage Grove Parks.
