The firms listed above have staff that attended an Accelerator Program training and meet the requirements of the "Tune-Up Specialist"; however, this list is not intended by OSE or SCL to be a contractor recommendation. If you do not see your preferred provider listed, or would like to use qualified in-house facility engineering staff, please contact nicole.ballinger@seattle.gov or 206-233-2184 for more information and prior to starting any work.
