Grant Narrative

Please refer for page 5 of the [2020 Environmental Justice Guidelines](#) for the criteria that the grant review committee will use to consider applications.

Please limit your proposal narrative to six (6) pages or less.

Organization

Tell us about your organization's or community group's history, mission, and programs.

Project

Tell us about your project: what are you going to do? Please discuss the following:

- Why you are doing this project and why it is important to your community
- The environmental and climate issues in your community as well as COVID-19 impacts
- How this project will address those environmental and climate issues and COVID-19 impacts
- How this project builds on existing community efforts or community solutions
- Will you use this grant to support a new staff person?

People

Tell us about the people that will make your project happen and how they are connected to your community. Please also discuss the following:

- How your community members are leaders in this work
- How many volunteers will be involved, if any, and what they will do
- What partners, if any, will you work with to advance your project and what will be their role(s)

Impact

Tell us about the impact your project will have and how your community will benefit. Please also include:

- If your project is citywide or neighborhood-based
- How many people will be served, directly and indirectly
- How you define success and how you will know your efforts were successful
- Three (3) specific things that you want to happen as a result of your project

Land Acquisition, Infrastructure & Capitol Project Long Term Goals

While [we are unable to fund](#) land/property acquisition, capitol projects, or large infrastructure investments, would like to help connect you with contacts and potential funding opportunities that do, such as the Equitable Development Initiative at the City's Office of Planning & Community Development. Please include a very brief paragraph detailing needs and goals that you may have to this regard.

Is there anything else about your group or your project that you would like us to know?
