

Alternative Compliance Seattle City Light Energy Analysis Assistance for Existing Buildings

For OSE Use Only

Please use this form to request alternative compliance from a Seattle Building Tune-Ups compliance cycle for participating in Seattle City Light's Energy Analysis Assistance (EAA) for Existing Buildings program. This must include a SCL-approved Energy Analysis Report and receipt of incentives for implementing all measures with a 2 1/2 year payback or less.

Buildings owners must submit a signed request form, along with required documentation as specified on the form, no later than 180 days prior to a building's Tune-Up compliance date. For more information on the requirements for this pathway and timeframe eligibility, please visit seattle.gov/buildingtuneups.
