

The Public Safety Civil Service Commission is considering the following changes to PSCSC Rule 11.03.f and Rule11.04:

11.03 CERTIFICATION:

f. If an appointing authority makes an acceptable showing that any of the eligibles certified **are eligible for deferral**, are not available or that they do not respond, sufficient additional names shall be furnished to complete the certification, **upon request from the appointing authority.**

11.04. **A** DEFERMENT ~~**OF BEFORE**~~ CERTIFICATION. The Executive Director may grant deferment of certification of an eligible upon receipt from the eligible of a written request with satisfactory reason therefore. Such deferment will thereafter prevent certification of such eligible until the next vacancy occurring after the eligible has given written notice of his or her desire to be returned to the register, and such return has been approved by the Executive Director.

11.4. B DEFERMENT AFTER CERTIFICATION. The Executive Director may grant deferment of an eligible upon receipt from the eligible or appointing authority of a written request with satisfactory reason therefore. Deferment after certification will remove such eligible from consideration for employment until the next vacancy occurring.
