Dear Neighbor,

As we move into fall and the kids are back in school, there’s a crispness in the air and a switch of gears in our activities. It’s time for cross-country, volleyball and youth flag football, and for heavier sweaters and boots. I hope you’ll check out the listings at a community center near you and choose something you love to do.

I’m pleased to report that we at Seattle Parks and Recreation (SPR) are well on our way to meeting our Seattle Park District goals for 2016, the first full year of funding. New recreation programs getting up and running include Put Art in the Parks, Get Moving and Recreational Opportunities for All.

Put the Art in Parks is a partnership with the Office of Arts & Culture to “activate” parks with about 40 temporary art installations and performances representing cultures and communities in Seattle from all over the world.

Get Moving is an effort to partner with nonprofits and community groups to get up to 1,000 participants “get moving” with fun, healthy activities.

Recreational Opportunities for All will help us reach deeper into the communities we serve by creating partnerships with neighborhood organizations and nonprofits to offer recreation programs to underserved populations.

I hope you’ll join us this fall, whether it’s to play a sport, take a class, rent a facility, start swimming, learn about the environment, celebrate Halloween, provide a safe place for your teen or bring the kids for a cornucopia of activities. And remember, we’re all about healthy people, healthy parks and strong communities.

We’re working hard to increase access for everyone, and we’ll be coming to you for feedback through surveys and evaluations as we strive to serve you better.

Follow me at @SPRSupt on Twitter to watch my fall activities, and please share your adventures with me!

Sincerely,
Jesús Aguirre, Superintendent

Seattle Parks and Recreation is pleased to offer several options to register for programs and activities.

We hope our registration options listed on this page will guide you to a choice that works best for you. While some of our Community Centers continue to operate on limited hours and with limited staff, we ask for your patience and understanding if we are not able to respond as quickly as you may expect.

Thank you for your continued support of Seattle Parks and Recreation.

Best Choice
Stop by your local community center to register for programs and meet the staff. Take a peek at the recreation center and the program space. Staff welcomes face-to-face interaction! Please note hours of operation, as they vary across community centers.

First Choice
Online registration using the SPARC system by going to seattle.gov/parks and clicking on SPARC. Please note that you will need to set up an account prior to having access to the online SPARC system. This may take up to a week to process. We do our best to set up accounts for registration within 48 hours.

Second Choice
Call your local recreation center during our hours of operation at the phone number listed at: seattle.gov/parks/centers.asp. All staff can assist you with registration during their operating hours listed on their home page linked from the above web address.

Third Choice

CARDS AND GAMES

BRIDGE
Ages 50 and older
Since the 1930s, Bridge has been one of the most popular card games in the world. Each player sits opposite his partner at a card table (in this age of computers the concept could be simulated). Bridge is played with a standard deck of 52 playing cards. One of the players deals all of the cards, 13 to each player, in clockwise rotation, beginning with the player to the left of the dealer.

Location: Green Lake CC
9/12-12/27 Tue 10:15 a.m.-1:15 p.m.

AMERICAN MAH JONG
Ages 50 and older
This game is played with a set of 144 tiles based on Chinese characters and symbols. Although some regional variations use a different number of tiles. In most variations, each player begins by receiving 13 tiles. In turn players draw and discard tiles until they complete a legal hand using the 14th drawn tile to form 4 groups (held) and a pair (head). There are fairly standard rules about how a piece is drawn, how a piece is stolen from another player, and thus melded, the use of simples (numbered tiles) and honors (winds and dragons), the kinds of melds, and the order of dealing and play. No program 9/15

Location: Green Lake CC
9/14-12/29 Thu 10:15 a.m.-1:15 p.m.

**LITTLE HANDS TWO-YEAR-OLDS PLAY GROUP**

**Ages 2**

This fun class provides children an opportunity to socialize with other children through play, music, movement, art, and exploration. Parents should provide a small snack for their child each day. Children should be practicing their toilet skills regularly. If 2 year-olds are in diapers/pull-ups, no staff or volunteer can diaper change the child. Only the parents of the child or a person authorized on the E-13 can do this. This program is a drop-off program and not a coop. Parents can use this time to go grocery shopping, clean the house, or meet a friend for coffee. We just ask that parents stay local in case a diaper needs changing. No program 9/15 and 11/21-11/25.

MIXXED FIT
MixxedFit® is a people-inspired dance fitness program that is a mix of explosive dancing and boot camp toning. Everything about our dance fitness program can be described as explosive – all of our movements are always big, exaggerated, full-out, and our very best. Our choreography is not complex and difficult. Our steps are repetitive and very easy to follow which means that our students can naturally increase their level of intensity during their workouts. We aim to keep our choreography simple. That way, our students can focus on “working out” rather than following dance steps. If you can do things like squats, jumping jacks, and shake your body you will have a blast in class.

ASSOCIATED RECREATION COUNCIL
For 40 years, the Associated Recreation Council (ARC) has provided recreation, lifelong learning programs and community-driven leadership in partnership with Seattle Parks and Recreation. With a goal of providing equitable access to citywide programs for Seattle residents of all ages, ARC works through 36 volunteer Advisory Councils to fulfill its mission of “building community through citizen engagement and participation in recreation and lifelong learning programs.” ARC is a 501c3 nonprofit organization. For more information, go to www.arcseattle.org.

YOUR ADVISORY COUNCIL
Most classes, workshops, sports and swim programs, special events and facility rentals are funded through the local advisory council, rather than from City of Seattle budgets. Revenues generated through program fees offset program costs to make these activities self-sustaining. We also rely on participation, donations, and contributions to maintain and upgrade equipment. Advisory council members create scholarship opportunities through grant writing and other fundraising activities.

JOIN US!
Citizen direction and participation is essential to our success. Monthly meetings are held to talk about programs, policies, and financial issues. Our advisory councils always are looking for new members. If you would like to get involved, please contact the facility staff for further information.

Class cancellations
To cover the cost of providing a program, we need a specific number of participants. If too few people sign up for a class, we must cancel it. We’ll notify you (at the latest) one or two days before the class start date. When possible, we will postpone a cancelled class for a week to allow for more enrollments; if the class minimum is not met by then, we will have to cancel it.

Waiting lists
We will create waiting lists for all filled classes. Please be sure to sign up if you are interested in a class that is full, because class openings often become available. If demand is high, we will try to form another class. Please contact us for space availability.
