Climate change has been happening since the beginning of time. Remember he ice age? No people were on the planet to cause the ice to melt. Humans are not the cause of any warming. Oceans are heating up because of record underwater volcanic eruptions in the Pacific oceans ring of fire. What are you going to do, bomb underwater volcanoes to stop the spread? We need to concentrate on clean air and water but we cannot stop global warming if it really exists. Yes oceans may rise in temperature melting ice caps but that has nothing to do with people. | Digital communication: SPR newsletter, social media, website, blog, Print materials: Flyers and signs in your neighborhood, community centers, and libraries, Online communities: Facebook groups, NextDoor, etc., Please no signs. | <p>Parks and open spaces, Just an initial comment: This survey is a "push poll" that is driving the people who are surveyed to certain types of pre-ordained answers. It would be much better (and more statistically valid and useful) to have an open-ended questionnaire.</p> <p>friends won't walk around Green Lake because of the number of homeless encampments. The number and density of homeless people make our parks unsafe. Also, the failure of simple maintenance makes the parks much less enjoyable. Last weekend we went to O.O. Denny park--owned by Seattle but operated by Kirkland--where families could gather on green watered lawns, and hike on maintained trails.</p> <p>Indoor aquatics: pools and swim lessons, Walking in peaceful and safe parks again (if they become safe again!)</p> <p>Environmental education, sustainability, and stewardship, Water the darn lawns. Maintain the darn trails. Fix the broken facilities. Spend less on "programs" and more on maintenance and let people use the parks the way they like.</p> <p>Very</p> <p>Not</p> <p>Important</p> <p>Very</p> <p>Very</p> <p>Important</p> <p>Not</p> <p>Important</p> <p>Not</p> <p>Weekday mornings (9 am-noon)</p> <p>More than 45 minutes</p> <p>Drive my own vehicle, Walking</p> <p>Sustainability practices</p> <p>The parks department is not a social service agency. That is the responsibility of human services departments. When we have nasty weather, please focus on maintaining what we have so it will be ready to use when conditions improve.</p> <p>Shifting from gas-powered to electric fleet and equipment, Renovating and building facilities that are more energy efficient, Additional tree canopy to reduce urban heat</p> <p>Print materials: Flyers and signs in your neighborhood, community centers, and libraries, Media: radio, newspapers, local blogs</p> <p>98105 70 or older</p> <p>M</p> <p>English</p> <p>White</p> <p>8/31/2021 19:07</p> |

| Parks and open spaces, I would like to be able to use parks more than I do now, but many parks are overrun with drug addicted criminals who have threatened and screamed at me multiple times. Plus, many needles all over parks makes them really unsafe. | The many drug addicted mentally ill people living in parks and leaving needles all over them make it really hard to enjoy parks most of the time. | Hopefully feeling safer when I use parks. At the moment many parks are not safe for the general public to use. | If there was a program that made parks actually safe for use without being threatened by people living in them, and without stepping over needles, that would be a great start. | Important | Not | Very | Very | Important | Very | Not | Not | Very | Weekday mornings (9 am-12 noon), Weekend (Sat/Sun) early mornings (7 am-9 am), Weekend (Sat/Sun) mornings (9 am-12 noon), Weekend (Sat/Sun) afternoons (1 pm-5 pm) | Up to 10 minutes | By bus, streetcar, or light rail, Walking | Emergency response (de-escalation, fire, mental health crisis, etc.) | There are constant fires at the park across the street from me, but they aren't caused by climate change. They are caused by the homeless criminals constantly setting fires in the park which is a real danger for people in the neighbourhood. | This is really not important in the grand scheme of things. Number one priority should be making parks safe and usable. When I attempt to visit a park the climate footprint is really not front of mind. | Print materials: Flyers and signs in your neighborhood, community centers, and libraries | 98109 | 188°29 | Male | English | | | | | White | 8/31/2021 20:39 | |

| Parks and open spaces | policy of homeless encampments allowed to exist in many city parks is a barrier to use. I frequently go to Ballard and the areas around the commons are covered in needles, trash and human waste. The City and Parks department need to do more to clear these camps and keep doing it until the addicts, criminals and people that refuse to be productive members of society accept help or move along. | I am not planning to engage with these services | Arts and culture, Better and more consistent maintenance of park structures and grounds. I live near the Interbay play fields and the park staff there did a great job of keeping everything mowed and cut back in 2020. In 2021 the quality of the upkeep is severely lacking. The hillsides are covered in trash and not mowed. When they do mow the playfields they leave the clippings all over the ground which makes walking difficult and messy. | Important | Very | Very | Very | Very | Very | Not | Important | Very | Weekday afternoons (1 pm-5 pm), Weekday evenings (5 pm-9 pm), Weekend (Sat/Sun) mornings (9 am-12 noon), Weekend (Sat/Sun) afternoons (1 pm-5 pm), Weekend (Sat/Sun) evenings (5 pm-9 pm) | Up to 30 minutes | By bus, streetcar, or light rail, Walking | Customer service and care, Emergency response (de-escalation, fire, mental health crisis, etc.), Program quality | Healthy urban tree canopy that provides shade in outdoor spaces | Alternative energy (e.g., solar), Shifting from gas-powered to electric fleet and equipment, Renovating and building facilities that are more energy efficient, Organic land management practices, Green infrastructure to create a healthier urban environment, Additional tree canopy to reduce urban heat | Digital communication: SPR newsletter, social media, website, blog, Media: radio, newspapers, local blogs, Online communities: Facebook groups, NextDoor, etc. | 98119 408E*49 | Male | English | | | | | White | 9/1/2021 18:49 | | | | | | | | |

| Parks and open spaces, Outdoor sports facilities, Volunteered for programs, Walks in natural areas of parks was what kept me going during Covid. It was hard to see people so careless of the habitat in many parks: making many social trails, letting dogs roam freely in natural areas, more trash. We need more education for park users. | No barriers | I am pleased that SPR is starting to consider aspects of climate change in future planning. I believe SPR can reduce carbon emissions. | sustainability, and stewardship, Youth programming, Education of the general public about being good stewards of the park areas. This includes avoiding the creation of social trails through natural areas (especially in areas such as the Cheasty Bike paths that will have a big impact on plants and animals since many bikers will go off the established trails) This also includes educating dog owners about keeping their off-leash dogs in the OLA, rather than letting them run free all over natural areas as is often the case at Magnuson Park and other parks. I'd also like education about the use of drones in parks. | Parks and open spaces, Outdoor sports facilities | facilities I need to access - pools - aren't open | Indoor aquatics: pools and swim lessons, Outdoor aquatics: spray parks, wading pools, beaches, outdoor pools | and use facilities (pools) would be great. Making it possible for my teens to use the skate park at the Ballard Commons would be huge. Right now, it's impossible, a huge safety risk. Walking around downtown Ballard is concerning as well. I get trailed by people experiencing homelessness and mental illness. It makes me go elsewhere for simple shopping, pharmacy, etc. I don't feel safe in downtown Ballard -- because there's a large homeless encampment at Ballard Commons, and that negatively impacts the entire downtown. I don't know how you think about "programming" when the baseline situation in downtown Ballard is so bad. | Not | Not | Important | Very | Not | Not | Not | Not | Very | Weekday afternoons (1 pm-5 pm), Weekday evenings (5 pm-9 pm), Weekend (Sat/Sun) mornings (9 am-noon), Weekend (Sat/Sun) afternoons (1 pm-5 pm) | Up to 20 minutes | Drive my own vehicle | Customer service and care | Outdoor water features such as spray parks | I have felt that I can't access some recreation areas due to safety issues, so the idea of also addressing climate change is sort of the cherry on top. Please help me and my family be safe in our parks - then let's talk about reducing our carbon footprint. | Digital communication: SPR newsletter, social media, website, blog | 98117 508*59 | female | English | | | | White | | | 9/7/2021 3:35 | | |

| I played pickleball at Miller Community Center outside 3-5 times/week | There are far too few pickleball facilities! It is so crowded at Miller that you spend more time waiting for a court than actually playing. It seems like every time I go there are up to a half dozen new people coming to play. We need more courts. | Having indoor courts to play on again in inclement weather. | More pickleball classes! | Parks and open spaces, Outdoor sports facilities | do not match my schedule, Pre covid I swam every week and many different city pools. One thing that was always a barrier was older men who bullied others in the lap lane (I witnessed on scream a tween to get out and made her cry. I told him that was not respectful and her mom came up to me later and thanked me). The code of conduct in pools does not cover this. I talked to staff as several pools about this and would like to | Indoor aquatics: pools and swim lessons, Outdoor aquatics: spray parks, wading pools, beaches, outdoor pools, Community events and gathering spaces | Health and fitness, Wellness and mental health programming | | Important | Important | Not | Not | Important | Important | Not | Important | Important | | Weekday evenings (5 pmâ€™9 pm), Weekend (Sat/Sun) mornings (9 amâ€™noon), Weekend (Sat/Sun) afternoons (1 pmâ€™5 pm), Weekend (Sat/Sun) evenings (5 pmâ€™9 pm) | Up to 30 minutes | Drive my own vehicle, By bus, streetcar, or light rail, By bicycle, scooter, or other non-motorized wheels | Cultural awareness, equity, and language access, Community engagement, Sustainability practices | Community center cooling or shelter space | Alternative energy (e.g., solar), Shifting from gas-powered to electric fleet and equipment, Renovating and building facilities that are more energy efficient, Reducing impervious surfaces (pavement) in our park and facility design, Shifting from natural gas to electric heating systems, Composting available in parks and facilities, Green infrastructure to create a healthier urban environment | Digital communication: SPR newsletter, social media, website, blog, Online communities: Facebook groups, NextDoor, etc. | 98125 | 40â€™49 | Female | English | | | | | | | White | 9/12/2021 3:18 | | | | |
