A MESSAGE FROM THE SUPERINTENDENT
Dear Neighbor,
Summer is our favorite time of year because the weather is great and the outdoors calls us. Our wading pools are teeming with toddlers, our lawns are filled with picnic baskets, Frisbees and sunbathers, our ballfields beaches are dotted with volleyball players and sand castles, and our pools are inundated with swimming kids and seasoned divers. Summer is also one of our busiest times of the year.

2017 is also our second year of collecting property tax through the Seattle Park District. Seattle Parks and Recreation will collect $49.8 million annually to support programs and initiatives. For 2016, some Park District highlights include:

- Programs for People: We have $4.4 million to continue increased staffing and services at community centers, more funding for scholarships, more partnerships with community groups, increased programming for people with disabilities, expanded programs for seniors, including those with dementia, teen programs, lifelong recreation programs and special populations programs that began in 2015 and 2016. These activities take us steps forward in implementing the Community Centers Strategic Plan.
- Fix it First: We have $28 million to chip away at our long list of needed major maintenance at our facilities and to continue restoring our urban forests.
- Maintaining Parks and Facilities: We will spend $4.1 million on increased park maintenance and preventive maintenance at our facilities, including P-patches and off-leash areas.
- Building for the Future: We will spend $11.6 million planning and developing the 14 park sites acquired and “land-banked” with 2008 Levy funds, contracting with the Downtown Seattle Association to enliven downtown parks, plan for the design of Smith Cove Park and carry out the second round of the Major Projects Challenge Fund.

We appreciate your support of Seattle Parks and Recreation throughout the year. I look forward to seeing you exploring our parks this season and have plans to do more if it with my own family! Follow me at @SPRSupt on Twitter to watch my summer unfold and share your adventures with me!

Sincerely,
Jesús Aguirre
Superintendent

**Volunteer with Specialized Programs!**

Work with participants to help make their recreational experience enjoyable. We are looking for volunteers, 18 years and older, to share their time in assisting with our sports programs, youth after school activities, cooking, and social programs.
CODE OF CONDUCT

Any participants conduct that is disruptive or unsafe to participants or staff may result in being sent home early that day or unable to attend on a permanent basis for the quarter.

This will be decided on a case-by-case basis and is at the discretion of the program leadership staff. Such conduct includes, but is not limited to: Destruction of property, harming oneself or another, or refusal to follow the minimum safety requirements to participate in activities. All incidents will be documented and reported to direct caregivers in a timely manner.

IMPORTANT INFORMATION REGARDING ACCESS SERVICE

The Americans with Disabilities Act (ADA) requires that transit agencies like Metro and Sound Transit make their bus and rail services user-friendly for people with disabilities. The ADA also requires transit systems to have a paratransit service when someone can’t take the bus or rail because of their disability. In King County, ADA paratransit services are provided by Metro’s Access Transportation Services.

SERVICES OFFERED BY ACCESS

Subscription Service
This service is great when a participant wants to set up a ride to the same destination, at the same time, every week. Please state that you are going to a Seattle Parks and Recreation Program, and it can be set up for you immediately.

Door-to-Door
The driver will walk the participant to the doorway of the destination.

Hand-to-Hand
The driver must deliver the participant to the appropriate person at the destination. If you use this service, please have participants locate “Specialized Programs Staff”.

To apply for these services, please contact Access Customer Service:

📞 206-205-5000
TTY: 206-749-4286

USING ACCESS FOR SPECIALIZED PROGRAMS ACTIVITIES:

We have had increasing numbers of participants coming to and from programs via Access Service. Due to this increase, issues have been raised that we would like you to be aware of when making arrangements for Access rides.

1. Each program in our brochure has a stated Access “drop-off appointment time” and a “pick-up window”. When you schedule your rides, please request only these stated times! Please note Access has “drop-off windows” and they have “drop-off appointment times”. Please use only the “drop-off appointment times” for our programs.

2. Please remember, if a participant arrives too early, the facility may not be open or Specialized Programs staff may not have arrived yet. If a participant’s pick up window is scheduled late, it will affect other programs that are following theirs.

3. When you register for programs, please state if the participant is going to be using Access to and/or from program.

4. If there is a consistent problem with early drop-off appointments or late pick-ups, we will call you to discuss the situation.

5. If you have any questions about our specific Access appointment times or pick-up windows, please call Specialized Programs at 206-684-4950.

6. If you have problems with the Access Service, please call Access at 206-205-5000 (TTY 206-749-4286) and talk with their Customer Service staff.
