

12TH AVE W & W HOWE ST PARK SITE RESTORATION & SLIDE REMOVAL

JOIN US! Seattle Parks and Recreation invites the community to an open house to learn about the site restoration and slide removal at 12th West & West Howe Park, Seattle WA 98119.

Seattle Parks and Recreation is working to restore this park to a natural area by decommissioning the slide and remaining concrete structures. The restoration project will return the site to a natural area as part of the contiguous greenbelt that supports wildlife habitat. Public access to the ravine on Seattle Department of Transportation right-of-way will remain.

THE PROJECT INCLUDES:

- Restoration and grading of the site to align with the natural slope of the property and to provide necessary erosion control measures
- Revegetation and restoration of wildlife habitat area by planting the slope with native species
- Removing the slide
- Demolition of remaining site structures, including concrete stairway, retaining walls, wood railings and paved areas
