

BUILDING FOR THE FUTURE

CHRISTIE PARK ADDITION

WE NEED TO HEAR FROM YOU!

We need your input! Seattle Parks and Recreation is expanding Christie Park! Please join Seattle Parks and Recreation's Planner, Landscape Architect, and Project Manager to provide ideas about the design of this exciting new park development in the University District.

The Christie Park Addition project will provide additional open space for the University District community and is located at 4257 9th Avenue NE 98105. We will have light refreshments and activities for children at the meeting. Funding for this park project is provided by the Seattle Park District to preserve open space in urban areas throughout Seattle.

To help inform the design please participate in this survey – www.surveymonkey.com/r/NJR8Q29
