

# Colman Vista Restoration

1501 32<sup>nd</sup> Ave S, Seattle WA 98144

Tuesday May 10, 2016. 7:00 – 9:00 PM

## Meeting Goal:

- Learn about historic, ecological and geotechnical factors that effect Colman Park.
- Provide feedback on initial design concepts for Upper Colman Park.

## Meeting Agenda:

7:00 – 7:05	Welcome and Group History Margy Bresslour, Friends of Colman Park Vista
7:05 – 7:15	Park Context and History Alan McWain, BCRA
7:15 – 7:25	Upper Colman Park Geotechnical Assessment Jim Brisbine, Associated Earth Sciences, Inc.
7:25 – 7:35	Upper Colman Park Ecological Assessment Chris Pfeiffer, Urban Forestry Services, Inc.
7:35 – 8:30	Public Comments and Questions
8:30 – 9:00	Wrap Up & Next Steps Alan McWain, BCRA

## Upcoming Meetings:

**Monday June 6:** Presentation and discussion of 3 design concepts for Upper Colman Park

**Wednesday July 13:** Presentation of preferred concept for Upper Colman Park

*Both meetings from 7:00 – 9:00 PM, at St. Clement's Church.*

## Guidelines For Participating In Public Process:

- Have fun
- Be non-judgmental; listen to understand
- Allow all voices to be heard
- Take no more than two minutes to speak to allow others the chance to be heard in our limited timeframe
- Limit distractions – silence or turn off your cell phone
- Agree to disagree
- Listen and empathize with differing perspectives
- Be respectful
